

Mr. Bhanu Gupta Gudla received his B.Tech in Electronics and Communication Engineering and M.Tech Digital Electronics and Communication Systems degree from Jawaharlal Nehru Technical University Kakinada. He has about 8 Years of experience in teaching and is currently working as an Assistant Professor in the Department of Electronics and Communication Engineering, Avanathi Institute of Engineering and Technology, Cherukupally (Village), Near Thagarapuvulasa Bridge. He has published two research papers in referred International Journals. His field of specialization is Digital Electronics and Communication Systems. His research area is Digital Electronics and Image Processing.

Dr. K. GokulKannan received the B.E degree in Electronics and Communication Engineering from College of Engineering Guindy in 2008. He received M.E degree in Power Electronics and Drives from Sona College of Technology, Salem in 2011. He received Ph.D degree in Image Processing from Anna University, Chennai in 2022. He is working in Loyola Institute of Technology, Chennai as an Assistant Professor in ECE Department. He is having teaching experience of 10 years, and Industrial Experience of 12 Years. He had presented papers in national and international conference of totally 8. He had published 5 International Journal Papers. His areas of interest include Image Processing, and Power Electronics.

Mr. G. Dineshnath, currently working as an Assistant Professor in the Department of Computer Science and Engineering in KL University, has about 10 years of teaching and research experience. He received his Bachelor degree in Information Technology from Pondicherry University. He completed his M.E. degree in Computer Science Engineering from Sathyabama University. He has published research papers and book chapters in refereed international journals and various international conferences. He pursuing Doctorate Philosophy in Pondicherry University. He has patent published in Machine learning and Network Intrusion Detection system. His areas of research include Ontology, Artificial Intelligence, Machine Learning, Computer Graphics and Image processing, etc., He is an active member of IAENG, ISTE and IET.

Mr. Jonnadula Narasimharao is currently working as an Assistant Professor in the Department of Computer Science and Engineering, CMR Technical Campus, Medchal, Hyderabad. He obtained his Bachelor Degree in B.E – Computer Science and Engineering from DMI College of Engineering, Anna University and Master's Degree in M.Tech – Computer Science and Engineering from TRR Engineering College, JNTU Hyderabad. He is Pursuing his doctorate in the field of Image Processing at Madhav University, Pindwara, Rajasthan. His areas of Specialization include Image Processing, Deep Learning, Machine Learning, IOT, Data Mining and Networks. He has more than 15 years of Teaching Experience. He has Published his Research work in reputed international journals with high impact factor. He is a life member in ISTE.
