

**Dr. Shaik. Hidayatulla Shariff** is working as an Associate Professor in the Department of Mechanical Engineering at Avanthi Institute of Engineering and Technology, Cherukupalli(Village), Near Tagarapavalasa Bridge, Andhra Pradesh, India. With over 12 years of teaching experience, he holds an M.Tech in Mechanical Engineering from IIT Madras, and he holds a Ph.D. in Mechanical Engineering from GITAM University, Visakhapatnam. He worked on Nano Materials mixed with biodiesel Preparation. He has also published research papers at international conferences and Journal publications on SCI and the Web of Sciences. he has been recognized as an honor the Best Teaching Award in 2018 from the Avanthi Institute of Engineering and Technology, Vizianagaram.

**Dr. D. Gnanasangeetha** is working as an Assistant Professor in the Department of Chemistry at PSNA College of Engineering and Technology, Dindigul. Has about 12 years of teaching experience. She received her Ph.D. from Bharathiar University, Coimbatore. She has published more than 30 research papers, which were SCI, Scopus and WoS indexed. She is a recipient of two prestigious awards like, Sir C.V.Raman Lifetime Achievement Award for Research and Publications, Meritorious award for Excellence in Research. Actively partaking as reviewer for SCI, Scopus and WoS indexed journals in addition as Editorial Board member for few journals. Her areas of research include green synthesis of zinc oxide nanoparticles embedded in activated silica for water remediation.

**Dr. M. Infant Shyam Kumar** is working as an Assistant Professor in the Department of Physics at SRM Institute of Science and Technology, Tiruchirappalli. He had about 13 years of teaching experience. He obtained his Ph.D. from Anna University, Chennai. He has published more than 7 research papers in peer reviewed journals, which were SCI, Scopus and WoS indexed and as reviewer for SCI, Scopus and WoS indexed few journals. His areas of research embed Graphene based Nanomaterials for energy storage and conversion technologies.

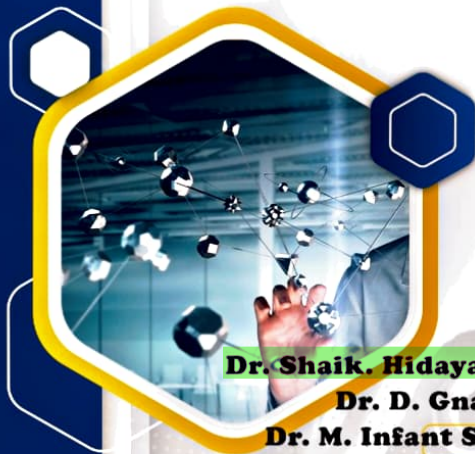

**Dr. M. Chitra** is working as an Assistant Professor in the Department of Chemistry at Chellammal Women's College, Guindy, Chennai-32. She had about 13 years of teaching experience by handling of Engineering Chemistry and 10yrs of teaching experience in Arts and Science College. She obtained her PHD from Madras University, Chennai. She has published more than 5 research papers in peer reviewed journals, which were SCI, Scopus and WoS indexed journals. Her areas of research synthesis and characterization of Co-Polyesters using of bischalcones.
