

Mr. R. Aneel Kumar is working as Assistant Professor in the Department of Electronics and Communication Engineering at Avanathi Institute of Engineering and Technology, Cherukupalli (Village), Near Tagarapuvulasa Bridge, Vizianagaram (Dist)-531 162, affiliated to JNTU-GV, India. He completed his M. Tech in VLSI System Design at JNTUK, India. He has published 5 national and international journals and conferences papers. He has done several courses in different online platforms like NPTEL, Coursera and Geeks for geeks. He has guided his students to implement more than 7 live projects in various modules. With above 10 years of teaching experience, due to his excellence in innovative teaching and learning methodologies.

Er. Priyanka Saini working as an Assistant Professor in the Department of Electronics and Communication Engineering Shubharti Institute of technology & Engineering, SVSU, has about 13 years of teaching experience. She received his B.Tech degree in Electronics and Communication Engineering and M.Tech. degree in Digital Communication from Rajasthan Technical University, Kota. She has published 07 research papers in refereed international journals and various international conferences. She has received young scientist awards for her excellent contribution in the field of Science & Technology. Her areas of research include Simulation and Modeling of Facial Feature Location System in MAT Lab, Hardware Synthesis of Chip Enhancement Transformation in Hardware Description Language Environment, Blockchain and IOT based framework.

Dr. A. Ananthi Christy working as a Professor in the Marine Engineering Department at AMET University, Kanathur. She graduated in BE Electrical Engineering at Adhiparasakthi Engineering College, Chennai, Tamil Nadu, India. She secured Master of Engineering in Power Systems Department at Sastra University, Thanjavur, Tamil Nadu, India. She secured Ph.D., in Electrical Department at SRM University, Chennai, Tamil Nadu, India. She is in the field of Marine Engineering at AMET University, Kanathur, Chennai, India. She is in teaching profession for more than 22 years. She has presented 50 papers in National and International Journals, Conference and Symposiums. Her main area of interest includes Voltage Stability, FACTS, Power Quality and Optimization Techniques.

Dr. R. Prasadrao is working as Associate Professor in the Department of Electronics and Communication Engineering at Avanathi Institute of Engineering and Technology, Makavarapalem affiliated to JNTU-GV. He obtained his Graduation in Electronics and Communication Engineering, Andhra University in 2001, Post-Graduation in DSCE JNTU Hyderabad in 2011, Doctorate in Electronics and Communication Engineering, GITAM University in 2022. He has published 15 research papers in various National and International Journals of repute. He has participated in 21 National and International Conferences / Seminars / Workshops. He is a recipient of Best Paper Award in IASEE: International Journal of Electronics and Communication Engineering (IJECE), 2017. He is a Member of Institution of Engineers (India) and Member of Indian Society for Technical Education (ISTE).
