

Dr. A. M. Venkata Praveen received his M.Tech in Mechanical Engineering from GITAM University. His wide array of academic qualifications also extends into holding a prestigious Doctorate (Ph.D.) in Mechanical Engineering from GITAM University. He is a versatile personality with rich academic and administrative experience of over 12 years in reputed colleges. He is also adept at working in the industry and had gained an industrial experience of 03 years in the Manufacturing Sector. He is currently associated with Avanthi Institute of Engineering and Technology as an Associate Professor in the Department of Mechanical Engineering. His research interests include Manufacturing, Machining, and Optimization. He has published 4 papers in International Journals and participated in umpteen Conferences/Seminars/Workshops. He always works towards knowledge enhancement and is also a Member of Professional bodies like IFERP, IAAC & IAENG.

Dr. S. Krishnakumar working as an Assistant Professor in the Department of Mechanical Engineering, Gnanamani College of Technology, Namakkal, has about 8 years of teaching experience. He received his B.E degree in Mechanical Engineering, M.E. degree in CAD/CAM with distinction and Ph.D in Mechanical Engineering from Anna University, Chennai, India. He has published 12 research papers in refereed national and international journals as well as in national and international conferences. His areas of interest include Material science, Manufacturing Engineering, Engineering Optimization, etc.

Dr. Dega Nagaraju obtained his B.Tech in Mechanical Engineering, M.Tech and Ph.D in Industrial Engineering from Sri Venkateswara University College of Engineering, Sri Venkateswara University, Tirupati, Andhra Pradesh, India. He has more than 22 years of teaching experience. He has published nearly 80 research papers in refereed national and international journals as well as in national and international conferences. His areas of interest include Manufacturing Engineering, Operations and Supply Chain Management, Engineering Optimization, Theory of Constraints, Decision Analysis, Energy Management etc.

Dr. R. M. Sathiyamoorthy working as an Assistant Professor in the Department of Mechanical Engineering, PERI Institute of Technology, has about 5 years of teaching experience. He received his B.E degree in Mechanical Engineering with First class and M.E. degree in CAD/CAM with First class from Anna University, Chennai. He has published 11 research papers in refereed international journals and various international conferences. He has received several best paper awards for his research papers at various international conferences. His areas of research include Polymer Materials, Hybrid Fiber Reinforced Composites, Characterizations, Machining of FRP.
