Mr. Vineet Singh is an Assistant Professor at the Department of Computer Science and Engineering in Amity School of Engineering and Technology. He has been teaching for about 13 years and has a strong academic background. He obtained his B.Tech degree in Computer Science and Engineering from AKTU (formerly UPTU) and his M.Tech degree from Amity University. He is a prolific researcher and has published 24 papers in international journals and conferences. His research interests are in the fields of computer network, wireless sensor network and IoT. He is also a certified instructor of CISCO and a member of various professional associations such as IEEE, CSTA and IAENG.

Mr. Surendra Kumar Choudary received his Master of Computer Application in Andhra University and M.Tech CSE from Jawaharlal Nehru Technical University Kakinada. He has about 12 Years of experience in teaching and is currently working as an Assistant Professor in the department of Computer Science and Engineering. His research area is Computer networks. Avanthi Institute of Engineering and Technology, Cherukupally (Village), Near Thagarapuvalasa Bridge Vizianagaram (Dist)

Dr. T. P. Rani is an Associate Professor in the Department of Information Technology, Sri Sairam Engineering College, Chennai. She has been teaching for about 21 years. She obtained her doctorate degree from Anna University, Chennai in the area of Wireless Sensor Networks. She has published 60 papers in international journals and conferences including Elsevier and Springer to her credit. Her research interests are in the fields of computer network, wireless sensor network and IoT. She is a senior member of IEEE and member in various professional associations such as ISTE and IAENG.
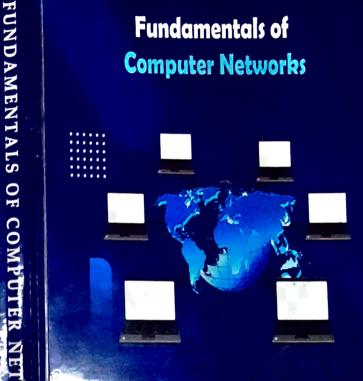

Dr. S. Diwakaran, working as Associate Professor, Department of Electronics and Communication Engineering, Kalasalingam University. He completed his PhD in Kalasalingam University and M-Tech (Communication system) in Crescent Engineering college Chennai in the year 2011 and MBA (project Management) in Annamalai University, Chennai in the year 2013. His research interests are in Wireless Sensor Network, Distributed Networks and Management. He published papers in international journals and presented papers in international conferences. He is a Member of IEEE and Member in various professional associations such as ISTE and IAENG.
