

**Mrs. G. Sudha** received her Bachelor's Degree in Engineering from Bharathidasan University in 1995 and Master's Degree from Sathyabama University in 2008 securing Gold medal. She is pursuing her Ph.D. at B.S.A Crescent Institute of Science and Technology, Chennai, as a Part time research scholar. With a total teaching experience of 20 years, she is currently working as Associate Professor in Sri Sairam Engineering College, Chennai, India. Her research areas include Wireless Sensor Networks, Green communication and Embedded Systems. She has published papers in International conferences and Journals and has 3 patents to her credit including a1 design patent grant. She is also a Life Member in Professional bodies viz. ISTE, IETE and IEEE.

**Dr. S. Jayakumar** received his Ph.D degree in Information and communication engineering from Anna University, India in 2018. Has about 15 years experience in both teaching and soft skill training currently he is working as Associate Professor in the Department of Electronics and Communication Engineering at Sri Sairam College of Engineering, Bengaluru, India. He has published 24 research papers in refereed international journals and various international conferences. His research includes VLSI design, Embedded Systems, Wireless Sensor Networks, Biomedical Engineering and Industrial Automation. He is a life member of IEL.

**Mr. Shalemu Raju Matta** received his B.Tech in Electronics and Communication Engineering and M.Tech VLSI Design degree from Jawaharlal Nehru Technical University Kakinada. He has about 8 Years of experience in teaching and is currently working as an Assistant Professor in the department of ECE, Avanthi Institute of Engineering and Technology, Cherukupally. He has published 2 research papers in referred International Journals. His field of specialization is VLSI Design. His research area is VLSI and wireless communication networks.

**Dr. Suraj Srivastava** received his Ph.D degree in Computer Science and Engineering from I.K.G PTU Jalandhar, Punjab, India in 2020. He has about 10 years experience in teaching and is currently working as Assistant Professor in the Department of Computer science and Engineering/Computer Application at I.K.G.PTU Mohali Campus-I,Punjab,India. He has published 10 research papers in refereed international journals and various international conferences and has 4 Patents. His research area includes Wireless Sensor Networks, Machine Learning, Databases, Data Mining, Information Security and AI. He is a Life member of ISTE and ACCS.

## Wireless Communication Networks

**Mrs. G. Sudha**  
**Dr. S. Jayakumar**  
**Mr. Shalemu Raju Matta**  
**Dr. Suraj Srivastava**
