

Dear All,

Please go through the below communication regarding CodeVita Contest from TCS. Circulate the same to all APITA associated colleges and follow up with them for maximum participation.

It has been some time since I last sent the details regarding the TCS CodeVita contest.

Since now students would have returned to the colleges (or would be joining back shortly), I'm sending the details again. Request you to send another communication to all colleges in AP, encouraging students to make use of this opportunity.

I would like to reiterate that there is a significant demand this year, for hiring through contests. **We are looking at making 2000-3000 offers through contests, for students from Batch of 2019. Therefore, your support in this initiative is critical.**

Please encourage maximum number of students to make use of this opportunity. Students from Pre Final Year (1st / 2nd / 3rd Year) can also participate - this will be a good grooming for them, for future opportunities.

TCS CodeVita 2018

- Flagship Coding Contest
- Individual Participation Event
- Open to **Engineering and Science Graduates(Any B.SC)** from Batch of 2019, 2020, 2021 and 2022
- Registration Deadline: **15-Jul-2018**
- More Details and Registration: <https://campuscommune.tcs.com/en-in/intro/contests/codevita-2018>

Best Regards,
Ravendra T
