“**International Women's Day**” was celebrated at AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY on 8th March 2021.International Women's Day (IWD) has been observed since the early 1900's - a time of great expansion and turbulence in the industrialized world that saw booming population growth and the rise of radical ideologies. It is a collective day of global celebration and a call for gender parity. Many organizations declare an annual IWD theme that supports their specific agenda or cause, and some of these are adopted more widely with relevance than others. International Women's Day is all about unity, celebration, reflection, advocacy and action - whatever that looks like globally at a local level. But one thing is for sure, International Women's Day has been occurring for well over a century – and continuous to grow from strength to strength. The inaugural ceremony was held in the College building Smt.M.V.Surya kala,joint collector Visakhapatnam & Sri Muttamsetti Srinivasa Rao Garu Minister of Tourism,Chairman was invited as chief guest.. The chief guest formally inaugurated the “**International Womens Day**” Celebrations by lighting the lamp along with the other invited guests Dr. M.Priyanka General Secretary and Mr. I.Shravan Kumar Treasurer and Dr. S.N V.
