Subject: Request for permission to conduct Training for teaching faculty for two days from 23-07-2020 to 24-07-2020.

Sir,

I hope this letter finds you in good health and spirits. I am writing to request your permission to organize a Training program for the teaching staff in our college.

The FDP is focused on “**Machine Learning**” and is aimed at providing a platform for teaching staff to expand their knowledge and understand the latest advancements and developments in the field. Our goal is to create an engaging and interactive atmosphere for the attendees and make the program a memorable experience.

The event will be conducted from 23-07-2020 to 24-07-2020 , through online platform. We have made all the necessary arrangements, including the invitation of knowledgeable and experienced speaker and the provision for connectivity through online. Our team has also taken into consideration all the safety measures to ensure a smooth and secure event.

I am confident that this event will be a great success and will contribute significantly to the overall growth and development of our staff. I would be honored if you could grant us your permission to proceed with the event. Thank you for considering our request. I look forward to your positive response.

Yours Sincerely,

INSTITUTION

Avanthi Institute of Engineering and Technology is established in the year 2005 with the approval of AICTE, New Delhi and recognized by Government of Andhra Pradesh. The Institution is permanently affiliated to JNTUK, Kakinada and is accredited by NAAC. The college is well equipped with state of art laboratories and computer centres. The college is 25 km from Visakhapatnam and 15 km from Vizianagaram near Tagarapavalasa Bridge adjacent to NH-16. Students of Avanthi boast of their excellent academic performance both at University level and GATE with an unenviable record of results. Our students achieve heights of excellence by getting a way of admission in prestigious institutions like IITS & NITS.

Bhogapuram (M),
Vizianagaram (Dist.)-531162

OBJECTIVE

The Objectives of FDP on Machine learning was the field of study that gives computers the ability to learn without being explicitly programmed. It is a form of AI that enables a system to learn from rather than through explicit programming. It helps in analyzing the data as well as identifying trends.

COURSE CONTENTS:

1. Introduction to Machine Learning
2. Regression: LASSO & Ridge Regression
3. K-mean, K-NN, and Bayesian Classification
4. Dimensionality Reduction: PCA and ICA

ELIGIBILITY

Faculty members from AICTE approved Institutes, Practicing Engineers, Scientists, Students (UG, PG and Research Scholars) are eligible to attend the FDP.

PROCEDURE OF REGISTRATION

Faculty from Institutions : Rs. 300/-
Research Institutions : Rs. 500/-
Students : Rs. 200/-
Students, CSI : Rs. 100/-

Last Date for submission: 20th July 2020

Application form duly filled along with a D.D. as applicable for respective participants drawn in favor of Principal AIET, payable at Tagarapuvalasa (SBI, India); should be sent on or before 20th July 2020

FDP REPORT

A 2- Day virtual FDP was organized in online mode through Zoom on “ Machine Learning ” from 23rd – 24th July, 2020 which was co-ordinated by Dr A. Bala Krishana P and Mr S. Kesava Rao. The FDP was organized for the Faculty Members, Staff Members and Research Scholars. After attending the FDP, participants were able to gather knowledge of different machine learning techniques and applications and also NLP.

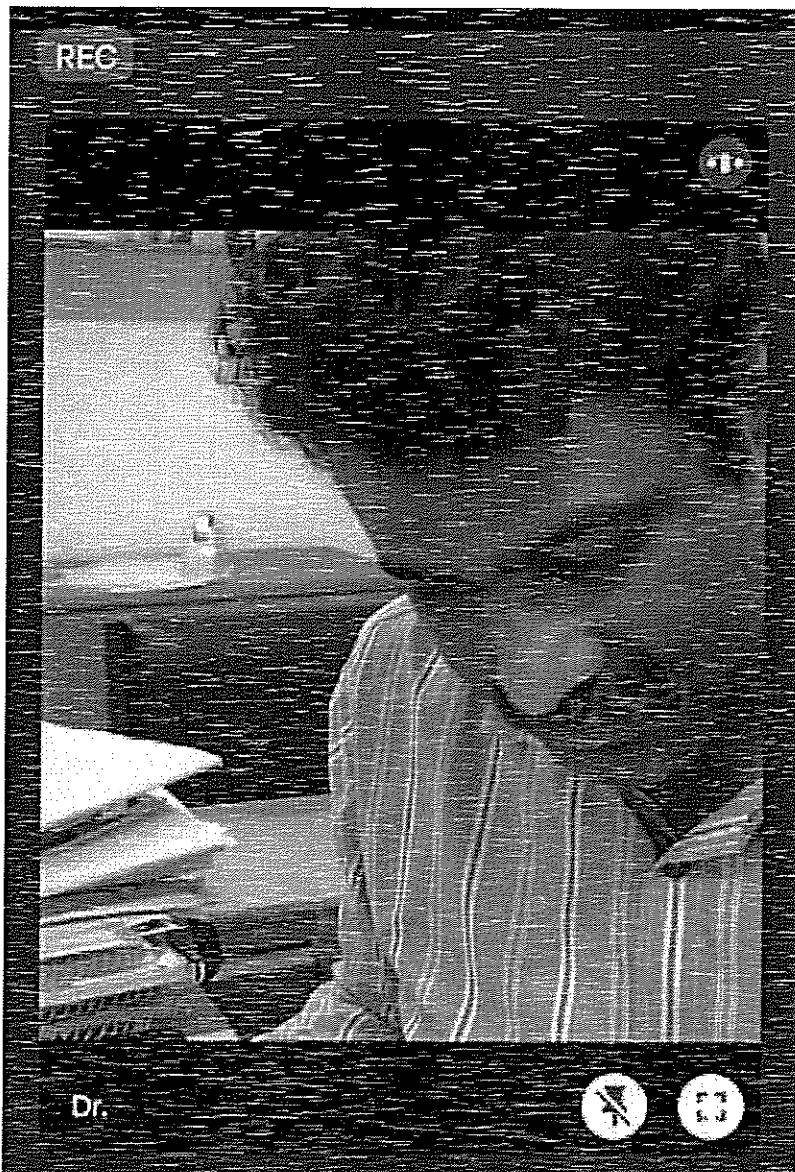

There was an inauguration ceremony at the beginning of the programme. After that we started the 1st session. Among us we had Dr. M Naresh Babu Assistant Professor, Department of Computer Science & Engineering, NIT Silchar

About the talk: Sir has delivered talk on “MACHINE LEARNING OVERVIEW: TRENDS AND PROSPECTS”.

1. On the first day the sessions started with Introduction to Machine Learning and later the sessions on with Regression: LASSO & Ridge Regression
2. On the Second day the sessions continued with brief recap of the previous day's session and clarification of the doubts. Later the sessions on the sessions were K-mean, K-NN, and Bayesian Classification along with Dimensionality Reduction: PCA and ICA along with the reference from the previous sessions and a lot of interaction between the resource person and the attendees.

Dr.M Naresh Babu delivering Introduction to Machine Learning

Dr.M Naresh Babu delivering Regression Technique

The session was concluded with vote of thanks.

The participants are redirected to tune in the meeting room for further inputs.

The session for three days held in same link.

The total numbers of participants are 19 from department of CSE.

Valedictory:

The certificates to the participants were released and have been sent through mail.

Sub: Permission to conduct of One day workshop on SKILL DEVELOPMENT for the non teaching staff in the institute from 30th December 2020 – Reg

Sir,

With due , here by stating that, I on behalf of CSE department request you for conducting “One day Workshop on SKILL DEVELOPMENT” for our non teaching 1 staff on 30th December 2020 at our Computer Lab-I . Mr S. Kesavav Rao , Assistant Professor and Mrs N. Sakitha Sri Assistant Professor choosen resource persons to deliver the lecture. Arrangements are done without disturbing the regular class work schedule.

We, therefore, hope that you would be kind enough to permit us to conduct the workshop. Kindly grant us the permission.

Thanking you Sir,

Yours Sincerely,

Dr A.Chandra Sekhar,

A ONE DAY WORK SHOP ON SKILL DEVELOPMENT (30 December, 2020)

Organized By Department
of CSE

Resource Persons: 1. S. Kesava Rao, Assistant Professor, CSE
2. N. Sakitha Sri, Assistant Professor, CSE

Venue :COMPUTER LAB -I

The Department of Computer Science & Engineering (CSE) of AIET has organized a one day workshop on " COURSE ON SKILL DEVELOPMENT " for Non teaching staff during on 30- 12- 2020 . The main Objective of this programme is to give hands-on training on MS-Word, MS-Excel, Typing Master, and Gmail Essentials to the participants

The workshop began with a welcome note by the Principal, Dr. SNV Ganesh Further, Principal told participants the importance of such workshop for career advancement. The workshop was taken up in two sessions. Mr S. Kesava Rao Assistant Professor, and Mrs N. Sakitha Sri were the resource persons for the morning session and evening session respectively.

First session began at 9.30 am, where in Mr A. Kesava Rao started the session by giving an overview of the hands-on training and made them aware about the various software tools available, which can add on more speed, accuracy and efficiency in their typing skills. She made the participants comfortable with typing tutor software and made them learn the basic techniques by having hands-on experience on the actual software so that they can use the keyboard efficiently and get familiar with the dynamics of keyboard environment. She gave them various tips about how to use fingers on keyboard so they can type or edit the content quickly. She also emphasized on usage of various keyboard shortcuts, which can be beneficial to avoid unnecessary delay in work. Further, Mr S. Kesava Rao gave them hands-on training on how to use MS-Excel for carrying out basic calculations, data entry, formatting and report generation. At the end of the first session, she explained the participants about creating Gmail account, essentials of email, and various functionalities of Google Drive. She also gave few suggestions on how to have regular backup and save daily official work periodically in case of system crash or any other technical failure.

Second session commenced at 2.00 p.m. sharp. Mrs N. Sakitha Sri welcomed the participants, and made them familiar with MS Word environment. Main attention was given on creation of quality documents and formatting/aligning the document content. She made them work on creation/edition of tables, working with basic formulas on the table content, and text wrapping and alignment within the table. Further, she demonstrated various paragraph alignment tools and features that can make the document readable. Participants were taught how to insert images in the document, how to edit the inserted graphics, how to wrap the text around the graphics and usage of watermarks in the document. Finally, Mrs N. Sakitha Sri , gave them hands-on training on different techniques of Mail Merge.

All the participants enthusiastically worked on the assigned task throughout the workshop. They were very much involved in learning and trying out the features and got their doubts clarified. The workshop came to an end at 5.00 p.m, with a positive feedback from all the participants.

Avanthi Institute of Engineering & Technology.

(Through Proper Channel)

To
The Principal,
Avanthi Institute of Engineering & Technology.

Subject: Request for permission to conduct Training for teaching faculty for two days from 20-01-2021 to 21-01-2021.

Sir,

I hope this letter finds you in good health and spirits. I am writing to request your permission to organize a Training program for the teaching staff in our college.

The FDP is focused on **“Data Science with Python”** and is aimed at providing a platform for teaching staff to expand their knowledge and understand the latest advancements and developments in the field. Our goal is to create an engaging and interactive atmosphere for the attendees and make the program a memorable experience.

The event will be conducted from 20-01-2021 to 21-01-2021. We have made all the necessary arrangements, including the invitation of knowledgeable and experienced speaker and the provision for connectivity through online. Our team has also taken into consideration all the safety measures to ensure a smooth and secure event.

I am confident that this event will be a great success and will contribute significantly to the overall growth and development of our staff. I would be honored if you could grant us your permission to proceed with the event. Thank you for considering our request. I look forward to your positive response.

Yours Sincerely,

Dr A. Chandra Sekhar,
Head of the CSE Department

CIRCULAR

Department of Computer Science & Engineering is conducting a Faculty development program virtually for two days on “Data Science with Python” for teaching staff from 20-01-2021 to 21-01-2021. All the interested Faculty are invited to register and attend the event without fail.

Date: 20th to 21st January, 2021.

Venue: E-Class Room (Ground Floor) / Computer Lab - 1

Time: 10:00 AM to 12:00 PM and 2:00 PM to 4:00 PM

Circulate to:

All the faculty members

INSTITUTION

Avanthi Institute of Engineering and Technology is established in the year 2005 with the approval of AICTE, New Delhi and recognized by Government of Andhra Pradesh. The Institution is permanently affiliated to JNTUK, Kakinada and is accredited by NAAC. The college is well equipped with state of art laboratories and computer centres. The college is 25 km from Visakhapatnam and 15 km from Vizianagaram near Tagarapuvalasa Bridge adjacent to NH-16. Students of Avanthi boast of their excellent academic performance both at University level and GATE with an unenviable record of results. Our students achieve heights of excellence by getting a way of admission in prestigious institutions like IITS & NITS.

OBJECTIVE:

The knowledge discovery and data analytics is globally catching attention to technocrats, researchers, businessmen and entrepreneurs. The data analytics is working from data storage to business outcome. The objective of this workshop is to bring students and practitioners from academia and industry to focus on understanding knowledge discovery and to create awareness among the participants about recent tools and techniques.

Course Contents:

1. Introduction to PYTHON 2
2. Data Analysis using Numpy, Pandas
3. Classification, Clustering techniques and its Applications.
4. Decision making using ANN
5. Deep learning techniques.

PROCEDURE OF REGISTRATION

Faculty from Institutions: Rs. 200/-
Research Institutions : Rs. 400/-
Students : Rs. 200/-
Students, CSI : Rs. 100/-

Last Date for submission: 19th January 2021 Application form duly filled along with a D.D. as applicable for respective participants drawn in favor of Principal AIET, payable at Tagarapuvalasa (SBI, India); should be sent on or before **18th January 2021**

FDP REPORT

A 2- Day virtual FDP was organized on “ Machine Learning” from 20th – 21st January, 2021 which was co-ordinated by Dr GRS Murthy P and Mr S. KesavaRao. The FDP was organized for the Faculty Members, Staff Members and Research Scholars. After attending the FDP, participants were able to gather knowledge of different data science techniques and applications and also Python.

There was an inauguration ceremony at the beginning of the programme. After that we started the 1st session. Among us we had Dr Tene RamaKrishnuudu , Department of Computer Science & Engineering, NIT Warngal

About the talk: Sir has delivered talk on “Data Science OVERVIEW”

- On the first day the sessions started with Introduction to Data Science
- On the Second day the sessions continued with brief recap of the previous day’s session and clarification of the doubts. Later the sessions on the sessions were Data analysis using Nummpy, pandas, classifications using ANN and Deep learning techniques from the previous sessions and a lot of interaction between the resource person and the attendees.

The session was concluded with vote of thanks.

The participants are redirected to tune in the meeting room for further inputs.

The session for three days held in same link.

The total numbers of participants are 19 from department of CSE.

Valedictory:

The certificates to the participants were released and have been sent through mail.

Sub: Permission to conduct of Two day workshop on MS EXCEL for the technical staff in the institute from 22nd March 2021 to 23th March 2021 – Reg

Sir,

With due , here by stating that, I on behalf of CSE department request you for conducting “Six day Workshop for our technical staff from 22nd March 2021 to 23rd March 2021 at our Computer Lab-I . Mr Surendra Kumar Chowdary , Assistant Professor and Mr A.Vasudeva Rao Assistant Professor choosen resource persons to deliver the lecture. Arrangements are done without disturbing the regular class work schedule.

We, therefore, hope that you would be kind enough to permit us to conduct the workshop. Kindly grant us the permission.

Thanking you Sir,

Yours Sincerely,

A TWO DAY WORK SHOP ON COURSE ON MS-EXCEL (22nd March, 2021 to 23th March, 2021)

Organized By

Department of CSE

Resource Persons: 1. Surendra Kumar Chowdary, Assistant Professor, CSE
2. A. Vasudeva Rao, Assistant Professor, CSE

Venue : COMPUTER LAB -I

The Department of Computer Science & Engineering (CSE) of AIET has organized a Two day workshop on " COURSE ON MS EXCEL " for Technical staff of CSE Department during 22-03-2021 to 23-03-2021 . The main Objective of this programme is to introduce basic Functions MS EXCEL

This programme discussed following points

- Introduction to MS OFFICE
- Functions of MS EXCEL
- Sheet Creation and Editing
- Maintaining large sets of Excel data in list or table.

Outcomes by the end of the Program:

The participants should: Master Microsoft Excel, including the toolbars related to MS Excel and other functions. Learn the most common Excel functions used in Office.

In this Program, resource persons Mr Surendra Kumar Chowdary, Assistant Professor CSE trained the Technical staff.

Day1:

This Session handled by Mr Surendra Kumar Chowdary, who covered the Basic of Microsoft Excel work sheets

- Creating effective spread sheets
- Managing large data sets of Data
- Tables
- Excel Formulas
- Excel work sheet margins
- Working with page layout view
- Printing a specific range of cells
- Creating effective spread sheets

Day 2: This Session handled by Mr A Vasudeva Rao, who covered the Basic functions of Microsoft Excel

-
- Working with the SUM() Function
- Working with the COUNT() Function
- Working with the AVERAGE() Function
- Working with the MIN() and MAX()
- Working with Changing the margins
- Working with Scaling and orientation
