The NSS wing of Avanthi Institute of Engineering and Technology celebrated **Environment day** in the college campus on 5th June 2021. The theme for World Environment Day 5 June 2021 was "**Beat Air Pollution.**" The focus was on raising awareness about the harmful effects of air pollution on human health and the environment, and promoting preventive measures to reduce air pollution.

Principal Dr. SNV Ganesh addressed the students and staff about the threats caused by environment pollution. He described that Air pollution is a global problem that affects millions of people every year, it is caused by a variety of factors, including transportation, industrial processes, and burning of fossil fuels and Exposure to air pollution can cause a range of health problems, including respiratory and cardiovascular diseases.

To mark World Environment Day 2021, the United Nations called upon governments, businesses, and individuals to take necessary action to reduce air pollution. This could include measures such as increasing the use of public transportation, promoting cleaner fuels and renewable energy sources, and investing in green technologies. In addition to these actions, World Environment Day 2021 celebrations at Avanthi Institute of Engineering and Technology highlighted the importance of individual actions to reduce air pollution, such as using energy-efficient appliances, reducing private vehicles usage, and supporting local clean energy initiatives.

The students and the Principal, Dr. SNV Ganesh and faculty members of AIET organized several events like rallies, essay writing competitions, and debates on various environmental issues to create awareness among students and staff.

The students took a march in the campus with the slogan "Plant a tree, Plant a hope for future" The management, students and faculty made their small yet significant contribution towards Mother Nature by each one planting a sapling as a token of love and gratitude towards their mother nature.

The College management, staff and students wishes a greener and safer environment for future. The primary motive was to create awareness and promote sustainable and safer environment by inculcating love for nature and to encourage the youth to stop blaming others for all the problems but rather to take initiative and to come together as concerned citizen and as one team, and actively work towards a greener and cleaner environment. The day was observed with great enthusiasm which experienced 160 participations.

Overall, World Environment Day 2021, served as a call to action for all of us, to take steps to reduce air pollution and protect the health of our planet and its inhabitants.

Description :

A group of NSS volunteers from Avanthi Institute of Engineering & Technology has conducted an awareness program on CHILD LABOUR DAY in Avanthi Institute of Engineering and Technology, Cherukupalli campus and Tagarapuvalasa area on 12.06.2021. The World Day against Child Labour, which is held every year on June 12, is intended to foster the world wide movement against Child Labour. This program is aimed at addressing the ills of Child Labour. The programme highlighted the need to educate people about the rights of children and their exploitation. Various issues related to Child Labour like the right to compulsory primary education, the right to a free and happy childhood, a childhood free from abuse and exploitation, employment of children in hazardous industries etc., were discussed in the program. The students and faculty raised slogans like "A child should be taught to LEARN, not forced to EARN & Children need LOVE and Care, child labor is not FAIR".

The students, staff and management of AIET led by the Principal, Dr. SNV Ganesh, organized various events to mark The World Day Against Child Labour. Events like debate, Essay Writing competition, talks by social activists, rally, poster presentations and programs by voluntary organizations were organized. A resolution that all students and staff members of the Avanthi group of institutions should ensure that all cases of Child Labour in their notice should be brought to book. Every student and staff member has taken a pledge that they will play their part in educating Child Labour.

International Day of Yoga

On 21st June 2021 "International Yoga day" was celebrated at Avanthi Institute of engineering and Technology in the college premises. The principal has addressed the students about the importance of yoga in everyone's life.

This program included a guest lecture by the expert Ms.Suchita Joshi Msc Yoga, Internationally(USA) Certified Coach. She gave her insights on yoga.

She further went on to give a vivid outlook on few benefits of yoga like reduces stress, improves health, positive thinking and emotional stability, happiness, focused attention. She also guided students to adopt meditation as one of their habit and suggested to follow regular pranayama and yoga along with it. Students are made to do yoga for about 15 minutes in the training program. The trainer Mr Paramesh had given his valuable guidance to the students. The exercises are good and useful to the students. All the students were excited and energetic. Some of our teachers and students had shown us Yoga by following the instruction given by the trainer.

The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and she appreciated the commendable efforts taken by the college for initiating such a holistic session. Finally the session ended with a vote of thanks by the HOD All the students had participated in the 'International Yoga day' with enthusiasm. There are around 95 boys and 65 girls with the total 160 students in Yoga day celebrations

The NSS Unit of Avanathi Institute of Engineering and Technology organized a **Vanam Manam** Program at the campus on 29-7-2021. The main objective of this program is to bring the awareness on Need of plants in our life and also to educate the importance of Plantation to the students of the college.

The principal on the occasion remarked that -“ We, Avanthians, believe in promoting a society which cares to protect, preserve and conserve our environment. Realizing the importance of sustainable development, many activities are undertaken to make the campus environment friendly and to make the students sensitive to the ecological issues as a part of this programme”. Some activities include as a part of the Vanam Manam are:

- The introduction of eco-friendly paper cups in the cafeteria,
- Recharge of groundwater using a water recharge well and using energy saving equipment in the campus.
- Plantation drive

The principal stated that the college has a compost pit in which organic matter is converted into manure and constant efforts are made to minimize the waste generated from the labs. The institute has gone paper-free by introducing an online application process for student's admission purpose, he remarked.

INDEPENDENCE DAY

Date of conduction	: 15 th Aug 2021
Time	: 09.30 am
Venue for the activity	: College premises
No of students participated	: 180
Audience/Group present	: Director, Principal, HOD's, staff, students, NSS Program officer
Chief Guest	: Dr Nageshwara Rao, former Vice Chancellor of Andhra University

Avanthi Institute of Engineering and Technology celebrated Independence Day on 15 August, 2021. The college campus was beautifully decorated with flags and balloons to commemorate the day.

The most important day of our national calendar began with the morning assembly at 9.30AM in our college ground. Dr.G.Nageshwara Rao, the chief guest of the day, hoisted the national flag which was accompanied by the singing of the National anthem and everyone saluted the National flag. The chief guest spoke on the occasion and reminisced India's struggle under British regime. Everyone listened to the lecture with rapt attention.

The speeches made by the HODs covered themes of sacrifice, suffering, valour and struggle of freedom fighters like Bhagat Singh, Subhash Chandra Bose, and Sardar Vallabhbhai Patel etc. The principal Dr. SNV Ganesh gave a speech reminding the audience of the freedom struggle of Mahatma Gandhi and other freedom fighters.

A variety of events, including singing, dancing, speeches and the declamation contest which were themed on patriotism were organized. Students from different branches and different years made speeches on the occasion of Independence Day. A dance performance on patriotic songs was performed by B.Tech first year students.

Assistant professor of English, Mrs. N.Santoshi, thanked the college management and students for making such wonderful arrangements on the occasion every year. The program was held till 12.30 PM. Sweets were distributed among students and faculty members at the end of the program. Patriotic atmosphere pervaded the campus on the occasion.

BLOOD DONATION CAMP

Description:

The supply of blood falls well short of the demand for it across country. There is an urgent need for Blood Donation as the demand for blood in the country far outweighs the supply. Hence, Avanathi Institute of Engineering and Technology with a noble thought to protect and save the lives of people came forward and provided an opportunity for good Samaritans to come forward and donate blood to save precious lives. The Blood Donation Camp was organized in collaboration with Life Share Blood Centre.

Director of Life Share Blood Centre Dr. V. Sumana said that- there are many fears around blood donation like the loss of energy or the complications as a result of blood donation, but these fears are ill-founded as all healthy individuals can donate blood every three months without facing any ill-consequences. It is also healthier to donate blood periodic all, the director remarked.

Blood donation camp at Avanathi Institute of Engineering and Technology, Cherukupally, started at 09: 30 AM in the seminar hall. The Principal, Dr.SNV Ganesh, inaugurated the camp and motivated the students by saying that AIET students are very enthusiastic and serve as a good example in standing up for the right cause. The Principal was the first to donate blood and led example for many.

A total unit of 50 units of blood was donated. "LIFE SHARE BLOOD CENTRE "organization appreciated the students for their contribution and distributed the appreciation certificates and pens

NUTRITION DAY:

The NSS wing of the Avanthi Institute of Engineering and Technology, Cherukupalli, organized an awareness rally on 06.09.2021 at 10:00 AM on the eve of Nutrition Day. Speaking on the occasion, the NSS coordinator remarked that "A healthy diet throughout life promotes healthy outcomes, supports normal growth, development and ageing, helps to maintain a healthy body weight, and reduces the risk of chronic disease leading to overall health and well-being".

He along with faculty and students distributed nutritious food for the people who live in the vicinity of the college on the occasion of **Nutrition Day**. This program concentrates on each and every person in the village and spreads awareness on the importance of nutritious food to become healthy and fit.

The staff visited ZPH School Chippada and created awareness about health and nutrition and said that the women, generally, need more calories than men, but deficiency of specific vitamins and minerals cause lot of health issues, such as hormonal changes related to menstruation, childbearing, menopause and osteoporosis that cause increased risk of anaemia, rickety bones, risk of fracture, thus needing a higher intake of nutrients like iron, calcium, magnesium, vitamin D and Folic acid (vitamin B9), especially through nutritious and fiber rich food.

They also explained about the lack of right nutrition for millions of poor children across the country results in their stunted growth. Many poor adults could ill-afford nutritious food which affects their health and productivity, they remarked. They also spoke about the various programs by the

National Unity Day

National Unity Day also known as Rashtriya Ekta Diwas is celebrated on October 31st in India. This day marks the birth anniversary of Sardar Vallabhbhai Patel, who was one of the founding fathers of the Indian Republic and played a crucial role in the integration of the princely states into the Indian Union after India's independence in 1947.

National Unity Day was first celebrated in 2014 after Prime Minister Narendra Modi announced it as an annual event to commemorate the efforts of Sardar Patel towards national integration. On this day, various programs and events are organized across the country to promote unity, peace, and integrity among the citizens.

The main objective of National Unity Day is to spread awareness about the importance of unity, especially in a diverse country like India, where people belonging to different religions, languages, cultures, and traditions coexist. The day also highlights the need to promote harmony and solidarity among all sections of society and to strengthen the bonds of brotherhood and fraternity.

The principal, Dr. SNV Ganesh, spoke on the occasion and said that this event will not only carry the message of "Unity in Diversity" but also permeate the youth with values assimilated by the knowledge and respect about the country's diverse legacy.

To mark this important day in our national calendar, AIET Management, Staff and students have organised several programs like Essay Writing, Drawing competition, Quiz competition etc. Students have enthusiastically participated in the competitions. The winners of the competitions were awarded prizes. AIET staff and students, under the aegis of its NSS Wing, took out a rally from the college campus to Tagarapuvalasa along the highway to spread the message of National Unity and Integrity.

SAY NO TO PLASTIC

Name of the activity	: Awareness Program on "Say No to Plastic" (Rally)
Date of conduction	: 03-07-2021
Time	: 9.00 AM
Venue for the activity	: Chippada, Near AIET
Organizing Unit	: NSS Unit
Audience/Group present	: I B.Tech Students
Chief guest/guests present	: The Principal, Dr.S.N.V Ganesh, Mr.H.Sharief (NSS – Coordinator)
No.of Volunteers present	: 80

The NSS wing of the college organized an awareness rally on 03.07.2021 at 9.00 A.M to inform the public about the dangers of plastic usage. This program concentrates on the harmful effects of plastics with the theme "Say No to Plastic Bags". This programme highlights that plastic bags are a threat to our environment, because a single plastic bag takes up to a 1000 years to decompose, as it contains non-renewable petrochemicals. The students and faculty raised the slogans "Plastic bag is a death bag & Plastic is a parasite that is causing the downfall of our environment". Speaking on the occasion, Principal Dr.SNV Ganesh stated that the government has decided to take plastic ban as a National Level Campaign to address the environmental hazards. In this regard, our institution has also joined hands to bring about changes in the way we interact with the environment and save the lives of not only human beings, but also other living creatures, the principal remarked. 80 volunteers participated actively in this programme.

'Say no to plastic' rally was taken out at Tagarapuvalasa in which students and NSS volunteers participated. Through this programme, the students were made aware of the consequences they have to face by using plastic. The Programme focused on the following points:

1. Ban the use of single use plastic on the campus.
2. Avoid bringing Non bio-degradable plastic items to the institution.

Report on Women Rights

Title of Event : Women's Rights
Venue : College Seminar hall
Date : 18-12-2021
Time : 11.00 AM to 1.00 PM
Guest : WGC members Mrs. A.Swathi & Dr. K.Sandhya Rani

No. of participants : 60 students

The institute has organized an awareness program on **Women's Rights** at its seminar hall on 18-12-2021 at 11 AM. The program began with a welcome note by the Convener, Mrs.N.Santoshi, in the college seminar hall.

Mrs.A.Swathi and Dr.K.Sandhya Rani, WGC members, AIET, were the resource persons of the program. They briefed the audience about the different rights the Indian Constitution has provided to its citizens. Mrs.A.Swathi stated in her speech that many of them are unaware of their rights and emphasizes the need for everyone to know their rights. She quoted many incidents to highlight the rights of women like:

- Right to property
- Right to Education
- Right against exploitation
- Right to equal pay and employment

She concluded her speech by saying that Right to Education is a right recognised under human rights law. Dr. K.Sandhya Rani, urged all the students to opt for higher education, as education reduces inequality in society and helps them to build better futures for themselves and for their families. She has enlightened the women staff and students and guided them to concentrate on areas which are most crucial to their well being.

The recurring themes of the programme are injustice, ill-treatment, unequal opportunities, sexual violence, and exploitation of women in a male-dominated world. The programme was well received by the audience. Along with the faculty members, 60 female students also participated in the event.

Introduction:

Swachh Bharat Abhiyan is a Clean India drive and Mission launched as a national campaign by the Indian Government aimed at maintaining cleanliness of streets, roads and infrastructure of the country. Indian Prime Minister, Narendra Modi has officially launched this mission on 2nd of October (the birth anniversary of the Mahatma Gandhi) in 2014 at Rajghat, New Delhi. While launching the event Prime Minister himself had cleaned the road. It is the biggest cleanliness drive ever in India where approximately 3 million government employees including students from schools and colleges took part in the date of the mission until the message reach to the every Indian in every corner of the country to make it a national mission.

This mission aimed to join each and every Indian people from all walks of life by making the structure of branching of a tree. Swachh Bharat mission aimed to construct individual sanitary latrines for household purposes for the people living under poverty line, converting dry latrines into low-cost sanitary latrines, provide facility of hand pumping, safe and secure bathing, set up sanitary marts, construct drains, disposal of solid and liquid wastes, enhance health and education awareness, provide household and environmental sanitation facilities and many more.

Earlier many awareness programmes (such as Total Sanitation Campaign, Nirmal Bharat Abhiyan, etc) about the environmental sanitation and personal cleanliness were launched by the Indian government however could not be so effective to make India a clean India.

The main objectives of Swachh Bharat Abhiyan are removing the trend of open defecation, changing insanitary toilets into pour flush toilets, removal of manual scavenging, proper disposal of solid and liquid wastes, bring behavioral changes among people, enhance awareness about sanitation, facilitating the participation of private sectors towards cleanliness facilities.

REPUBLIC DAY

Name of the activity : REPUBLIC DAY

Date of conduction : 26th January 2022

Time : 09.00 am

Venue for the activity : College ground

No of students participated : 216

Chief Guest : Principal

Avanthi Institute of Engineering And Technology celebrated Republic day on 26 January 2022 at its college campus from 9.00 am. The campus wore a saffron, white and green color look on the occasion.

The Principal Dr. SNV Ganesh was the chief guest on the occasion. He hoisted the National flag on the college grounds at 9.00 AM. This was followed by the students and teachers saluting the flag and singing the National Anthem.

The program started with an opening address by EEE HOD, Mr.A.Arjuna Rao, who narrated few incidents from the freedom struggle and said that the Constitution of India is a testament to the values of democracy, justice, liberty, and equality that have guided our nation since its inception. It guarantees certain fundamental rights to all its citizens and provides a framework for the government to function in a transparent and accountable manner.

The Heads of the department from different branches also gave speech about the lessons and struggles from British rule which reminded us of the many struggles of our freedom fighters to give us this freedom. Subsequently, the principal of the college addressed the gathering by informing about the Constitution of India that was adopted on 26th January 1950. He also described the fundamental rights and the laws of our nation and reminded the duty of every citizen in protecting and reserving the constitution. He also emphasized the duties of Indians to uphold the values and principles laid down in the constitution and to work towards building a stronger and a more prosperous nation.

The event was followed by a cultural program. Patriotic poems and songs were recited by both teachers and students. Students performed group dance and skits on the patriotic themes to remind us of the struggles and sacrifice of our great leaders.

The campus was filled with the mood of patriotism. The program had varying events, including singing, speech and dancing were themed on constitution. The Chief guest distributed prizes for the

World Health Day

World Health Day is a Global Health Awareness Day observed on April 7th every year. It is organized by the World Health Organization (WHO) and serves as a global platform to raise awareness and promote action on important health issues that affect people worldwide.

Avanthi Institute of Engineering and Technology creates awareness on World Health Day and focuses on a specific theme related to public health, and events and activities and aims to raise awareness among, students, staff and general public and advocate for better health outcomes for all. Dr. M.Sridhar, Junior doctor from KGH explained that World Health Day provides an opportunity to highlight the importance of health in our daily lives and to address key health challenges facing humanity. He also remarked that it serves as a reminder to individuals, communities, and governments about the importance of investing in health promotion, disease prevention, and access to quality healthcare services.

Another doctor, Dr. M. Geetha stated that "World Health Day also aims to mobilize individuals and communities to take action to improve their health and well-being and to advocate for policies and practices that promote health equity and universal health coverage in recent years."

World Health Day focused on various themes such as mental health, universal health coverage, vaccination, diabetes, and antimicrobial resistance, among others. Through campaigns, events, and awareness-raising activities, the college aims to educate and engage people around the world on important health issues and inspire action to improve global health outcomes.

AIET celebrated World Health Day by sensitizing students about health issues, promoting healthy
