7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities.

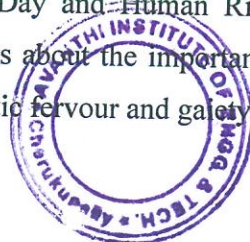

The college organises and conducts several activities to build and promote an environment for ethical, cultural, linguistic and regional values among the college students and staff. The students and staff along with the management have a good time during the cultural, religious and regional festivals.

The college organises various NSS (National Service Scheme) activities like Blood Donation camps, Medical Awareness Programmes and cleaning of public parks with the principal objective of developing the character and personality of the students through voluntary community services.

Motivational lectures of eminent people from various fields are also arranged for the all-round development of the students and to make them responsible citizens and also to imbibe the national values of social-communal harmony and countrywide integration. Besides educational and cultural activities, the college has built up umpteen robust infrastructures for a variety of sports activities for the physical and mental well-being of the students.

The college leaves no stone unturned to improve the Communication and Soft Skills of the students. Various activities including Seminars, Fresher Party, Teacher's Day, Orientation and Farewell programs, Induction program, Rallies, Plantation drive, Youth day celebrations, Women's day celebrations, Yoga day, Sankranti sambaralu, etc are celebrated with great enthusiasm in the college campus. Guest Lectures and Workshops are organised to keep students and faculty informed about the latest requirements of the companies and make them updated in terms of knowledge and skills. In this way, the institution strives its best in offering an inclusive environment for all with tolerance and harmony closer to cultural, regional, linguistic, communal, socio-economic diversities.

The college organises and celebrates various National Festivals like Independence Day, Republic Day, Gandhi Jayanti, National Unity Day and Human Rights Day. To inculcate the spirit of patriotism and in reminding the students about the importance of freedom, democracy and peace these festivals are celebrated with patriotic fervour and gaiety every year.

Report on Pre-Sankranthi sambaralu at Avanthi Institute of Engineering and Technology

The students and faculty of Avanthi Institute of Engineering and Technology came together to celebrate the pre-Pongal festivities with great enthusiasm on 11.1.2022. The celebration was organized by the B.Tech and MBA students of the institute and it witnessed active participation from all.

The celebration kicked off with the traditional ritual of Rangoli making. Students showcased their creativity by designing intricate rangolis, which added to the festive mood of the event. The campus was decorated with colorful lights, streamers, and balloons, which further added to the festive ambience.

Several games and events were organized to make the celebration more engaging. Students participated in various traditional games like the one in which a pot filled with water, is hung high, and young boys attempt to break it open with a stick, was a particular highlight of the event. The students also enjoyed playing musical chairs, tug-of-war, and various other team games.

Apart from the games, cultural programs like dance, singing, and skits were also organized. Students showcased their talents in these activities and entertained the audience with their performances. The faculty members, along with students, were dressed in traditional dress, prepared Pongal, and offered it to God ceremoniously in a ritual and served it to every one. Kite flying, dance, songs, and the artistic talents of the students were showcased by the students and

staff adding to the fun and frolic. The highlight of the cultural program was a traditional folk dance performance by the girls' team, which received a thunderous applause from the audience.

Dr. A. Chandra Sekhar, the principal of the institute, also graced the occasion with their presence. In his address, he emphasized the significance of celebrating festivals and preserving our traditions and culture. He appreciated the efforts of the students in organizing the event and congratulated them for their teamwork and spirit.

In conclusion, the pre-Pongol celebration at Avanthi Institute of Engineering and Technology was a grand success, which brought together students and faculty in celebration of the festival with great joy and enthusiasm. The event not only helped in strengthening the bond between the students and faculty, but also enabled them to learn more about our rich cultural heritage.

The second year B. Tech students of Avanthi Institute of Engineering and Technology organised its Fresher's Day for their First year students on 16-03-2022. The celebration commenced at 2.30 pm with a warm welcome to all the dignitaries present for the celebrations. The freshers were formally welcomed into the AIET family and other guests of honor were also introduced.

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

The program started with the traditional lamp lightening and inaugural speech by Honorable Principal, Dr. SNV Ganesh and followed by the Director's speech for the freshers. The program was hosted by the Ms. Anith, student from second year B.Tech. Speaking on the occasion the college heads welcomed all the freshmen and informed them about the college friendly environment that enables them to improve their knowledge and skills. They also motivated the students to shed their inhibitions and participate in every activity in order to carve their career.

The cake was cut by the Principal, the HOD of all departments, President, and the Class Representatives of the each fresher's batch. The welcome dance (Bharatnatyam) was performed by Swathi, a first year student.

Freshers along with their seniors got chance to showcase their talent by a stunning Ramp walk, various Dance performances like solo, Duo, Group dances.

Later small games were organized to make the function more entertaining!

The dress code and theme for the fresher's party was "Dress in best". The senior students arranged many activities for freshers, which included cultural events, where everyone got a chance to showcase their talent. Refreshments were served in the program. Mr. Karthik & Miss. Rishitha were chosen as Mr. and Miss Fresher, respectively. Mr. Rahul and Miss. Sony were awarded as the Best Dressed students. Talking about the ramp walk, it was conducted in two rounds. In the Round

1- the participants walked on the ramp and gave poses towards the audiences. The audiences enjoyed the fashion show and they encouraged the participants by making hooping sounds. Later in the Round 2- the shortlisted participants walked again on the ramp and they were asked to stand in the line followed by the questioning session based on which the Mr. and Ms. Freshers were finalized. There was a tough competition among the freshers as they all were amazing!

The program was a grand success which achieved its objective of bringing the Freshers close to the college staff and senior students. Both the freshers and seniors came together in a joyous celebration. It was the meeting of hearts occasion which is to be cherished for a long time.

The event was finally concluded with vote of thanks by Faculty Ms. Santhoshi. Refreshments were served after the program.

A total of 160 First and Second year students participated in the party. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness

HOLI CELEBRATIONS

Name of activity : HOLI
Date of celebration : 18-3-2022
Time : 03.00 PM
Venue for the activity : College campus
No of students participated : 88

Audience/Group present : All the students and staff members

The festival of Colours is not about getting rid of the waste and negative energies from our lives and homes but much more. Holi is also celebrated as a pledge day when one takes account of their shortcomings and accepts their flaws or mistakes and promises oneself not to repeat them and tries to overcome them.

Avanthi Institute of Engineering and Technology celebrated Holi on 18-3-2022 at 3 pm. The college promotes such celebrations to keep the traditions and the culture of Indian festivals alive. All the B.Tech and MBA students participated in the festivity. The event was started by the Principal Dr SNV Ganesh and Director- Dr. A. Chandra Sekhar by welcoming the students and conveying them their hearty wishes on Holi. The festival of colours is very significant for our lives and body in various other ways than providing fun and the joy, they remarked.

The students were divided into groups, and each group was assigned a different color. The students then splashed colours on each other and everyone were completely involved in the true spirit of the celebration. The event provided an opportunity for students to promote a sense of brotherhood among each other and build ever-lasting relationships. The Director, Dr. A. Chandra Shekhar appreciated the efforts of the students and staff and said that such celebration reminds and appreciates many of us about our strong connections with different cultures.

A riot of colour pervaded the entire campus. The students and staff sprinkled colour on each other in a joyous celebration. The mood of the occasion was colourful and wild. It was an occasion to be remembered forever. The event was a true celebration of the spirit of Holi, and it left a lasting impression on all those who participated. 88 students along with faculty members took part in this celebration. The event was a grand success, with students enjoying the festival of colors and bonding with each other

Chief Guest	: Principal Dr.SNV Ganesh
No. of Volunteers present	: 160

The NSS wing of Avanthi Institute of Engineering and Technology celebrated **Environment day** in the college campus on 5th June 2021. The theme for World Environment Day 5 June 2021 was "**Beat Air Pollution.**" The focus was on raising awareness about the harmful effects of air pollution on human health and the environment, and promoting preventive measures to reduce air pollution.

Principal Dr. SNV Ganesh addressed the students and staff about the threats caused by environment pollution. He described that Air pollution is a global problem that affects millions of people every year, it is caused by a variety of factors, including transportation, industrial processes, and burning of fossil fuels and Exposure to air pollution can cause a range of health problems, including respiratory and cardiovascular diseases.

To mark World Environment Day 2021, the United Nations called upon governments, businesses, and individuals to take necessary action to reduce air pollution. This could include measures such as increasing the use of public transportation, promoting cleaner fuels and renewable energy sources, and investing in green technologies. In addition to these actions, World Environment Day 2021 celebrations at Avanthi Institute of Engineering and Technology highlighted the importance of individual actions to reduce air pollution, such as using energy-efficient appliances, reducing private vehicles usage, and supporting local clean energy initiatives.

www.aietta.ac.in, principal@aietta.ac.in

The students and the Principal, Dr. SNV Ganesh and faculty members of AIET organized several events like rallies, essay writing competitions, and debates on various environmental issues to create awareness among students and staff.

The students took a march in the campus with the slogan "Plant a tree, Plant a hope for future" The management, students and faculty made their small yet significant contribution towards Mother Nature by each one planting a sapling as a token of love and gratitude towards their mother nature.

The College management, staff and students wishes a greener and safer environment for future. The primary motive was to create awareness and promote sustainable and safer environment by inculcating love for nature and to encourage the youth to stop blaming others for all the problems but rather to take initiative and to come together as concerned citizen and as one team, and actively work towards a greener and cleaner environment. The day was observed with great enthusiasm which experienced 160 participations.

Overall, World Environment Day 2021, served as a call to action for all of us, to take steps to reduce air pollution and protect the health of our planet and its inhabitants.

INDEPENDENCE DAY

Date of conduction	: 15 th Aug 2021
Time	: 09.30 am
Venue for the activity	: College premises
No of students participated	: 180
Audience/Group present	: Director, Principal, HOD's, staff, students, NSS Program officer
Chief Guest	: Dr..Nageshwara Rao, former Vice Chancellor of Andhra University

Avanthi Institute of Engineering and Technology celebrated Independence Day on 15 August, 2021. The college campus was beautifully decorated with flags and balloons to commemorate the day.

The most important day of our national calendar began with the morning assembly at 9.30AM in our college ground. Dr.G.Nageshwara Rao, the chief guest of the day, hoisted the national flag which was accompanied by the singing of the National anthem and everyone saluted the National flag. The chief guest spoke on the occasion and reminisced India's struggle under British regime. Everyone listened to the lecture with rapt attention.

The speeches made by the HODs covered themes of sacrifice, suffering, valour and struggle of freedom fighters like Bhagat Singh, Subhash Chandra Bose, and Sardar Vallabhbhai Patel etc. The principal Dr. SNV Ganesh gave a speech reminding the audience of the freedom struggle of Mahatma Gandhi and other freedom fighters.

A variety of events, including singing, dancing, speeches and the declamation contest which were themed on patriotism were organized. Students from different branches and different years made speeches on the occasion of Independence Day. A dance performance on patriotic songs was performed by B.Tech first year students.

Assistant professor of English, Mrs. N.Santoshi, thanked the college management and students for making such wonderful arrangements on the occasion every year. The program was held till 12.30 PM. Sweets were distributed among students and faculty members at the end of the program. Patriotic atmosphere pervaded the campus on the occasion.

National Unity Day

Name of the activity	: National Unity Day
Date of conduction	: 31-10- 2021
Time	: 10.30 am
Venue for the activity	: College Campus
No of students participated	: 93
Chief Guest	: Principal Dr. SNV Ganesh

National Unity Day

National Unity Day also known as Rashtriya Ekta Diwas is celebrated on October 31st in India. This day marks the birth anniversary of Sardar Vallabhbhai Patel, who was one of the founding fathers of the Indian Republic and played a crucial role in the integration of the princely states into the Indian Union after India's independence in 1947.

National Unity Day was first celebrated in 2014 after Prime Minister Narendra Modi announced it as an annual event to commemorate the efforts of Sardar Patel towards national integration. On this day, various programs and events are organized across the country to promote unity, peace, and integrity among the citizens.

The main objective of National Unity Day is to spread awareness about the importance of unity, especially in a diverse country like India, where people belonging to different religions, languages, cultures, and traditions coexist. The day also highlights the need to promote harmony and solidarity among all sections of society and to strengthen the bonds of brotherhood and fraternity.

The principal, Dr. SNV Ganesh, spoke on the occasion and said that this event will not only carry the message of "Unity in Diversity" but also permeate the youth with values assimilated by the knowledge and respect about the country's diverse legacy.

To mark this important day in our national calendar, AIET Management, Staff and students have organised several programs like Essay Writing, Drawing competition, Quiz competition etc. Students have enthusiastically participated in the competitions. The winners of the competitions were awarded prizes. AIET staff and students, under the aegis of its NSS Wing, took out a rally from the college campus to Tagarapuvalasa along the highway to spread the message of National Unity and Integrity.

REPUBLIC DAY

Name of the activity : REPUBLIC DAY

Date of conduction : 26th January 2022

Time : 09.00 am

Venue for the activity : College ground

No of students participated : 216

Chief Guest : Principal

Avanthi Institute of Engineering And Technology celebrated Republic day on 26 January 2022 at its college campus from 9.00 am. The campus wore a saffron, white and green color look on the occasion.

The Principal Dr. SNV Ganesh was the chief guest on the occasion. He hoisted the National flag on the college grounds at 9.00 AM. This was followed by the students and teachers saluting the flag and singing the National Anthem.

The program started with an opening address by EEE HOD, Mr.A.Arjuna Rao, who narrated few incidents from the freedom struggle and said that the Constitution of India is a testament to the values of democracy, justice, liberty, and equality that have guided our nation since its inception. It guarantees certain fundamental rights to all its citizens and provides a framework for the government to function in a transparent and accountable manner.

The Heads of the department from different branches also gave speech about the lessons and struggles from British rule which reminded us of the many struggles of our freedom fighters to give us this freedom. Subsequently, the principal of the college addressed the gathering by informing about the Constitution of India that was adopted on 26th January 1950. He also described the fundamental rights and the laws of our nation and reminded the duty of every citizen in protecting and reserving the constitution. He also emphasized the duties of Indians to uphold the values and principles laid down in the constitution and to work towards building a stronger and a more prosperous nation.

The event was followed by a cultural program. Patriotic poems and songs were recited by both teachers and students. Students performed group dance and skits on the patriotic themes to remind us of the struggles and sacrifice of our great leaders.

The campus was filled with the mood of patriotism. The program had varying events, including singing, speech and dancing were themed on constitution. The Chief guest distributed prizes for the

Report on Women Rights

Title of Event : Women's Rights
Venue : College Seminar hall
Date : 18-12-2021
Time : 11.00 AM to 1.00 PM
Guest : WGC members Mrs. A.Swathi & Dr. K.Sandhya Rani

No. of participants : 60 students

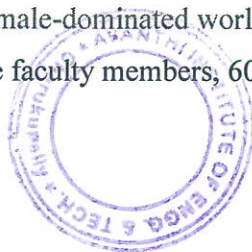

The institute has organized an awareness program on **Women's Rights** at its seminar hall on 18-12-2021 at 11 AM. The program began with a welcome note by the Convener, Mrs.N.Santoshi, in the college seminar hall.

Mrs.A.Swathi and Dr.K.Sandhya Rani, WGC members, AIET, were the resource persons of the program. They briefed the audience about the different rights the Indian Constitution has provided to its citizens. Mrs.A.Swathi stated in her speech that many of them are unaware of their rights and emphasizes the need for everyone to know their rights. She quoted many incidents to highlight the rights of women like:

- Right to property
- Right to Education
- Right against exploitation
- Right to equal pay and employment

She concluded her speech by saying that Right to Education is a right recognised under human rights law. Dr. K.Sandhya Rani, urged all the students to opt for higher education, as education reduces inequality in society and helps them to build better futures for themselves and for their families. She has enlightened the women staff and students and guided them to concentrate on areas which are most crucial to their well being.

The recurring themes of the programme are injustice, ill-treatment, unequal opportunities, sexual violence, and exploitation of women in a male-dominated world. The programme was well received by the audience. Along with the faculty members, 60 female students also participated in the event.

"IS HINDI OUR NATIONAL LANGUAGE?"

On 14-09- 2020, an elocution competition on the topic "Is Hindi our National Language?" was conducted at Avanthi Institute of Engineering and Technology. The competition was organized by II B.Tech students. The Principal of the institute was present to encourage the participants and judge the competition.

The aim of the competition was to promote the use of Hindi, our national language, and to encourage students to become proficient in it. The competition provided a platform for students to showcase their communication skills and improve their public speaking abilities.

The competition was open to all students of the institute. Students from various B.Tech programs participated in the event. The participants were divided into two categories, i.e., Hindi and Non-Hindi speakers.

Competition format

The competition was conducted in two rounds. The first round was an elocution round, where participants had to deliver a speech on a given topic in Hindi. The participants were given two minutes to speak on the topic. The topics were related to social issues, current affairs, and patriotism.

The second round was an impromptu speech round, where participants had to speak on a topic that was given to them on the spot. The topics were related to the significance of Hindi, Indian culture, and national integration.

Judgments criteria: The participants were judged based on their content, delivery, language, and overall presentation. The judges evaluated the participants based on their pronunciation, intonation, clarity, and coherence. The judges also assessed the participants' ability to engage the audience and hold their attention. Winners after a tough competition, the judges declared the winners in each category. In the Hindi speaker category, Ms. J.Chaitanya, from the B.Tech program won the second

prize. In the Non-Hindi speaker category, Mr.M.Bharath from the B.Tech program won the first prize.

Conclusion

The elocution competition on Hindi, our national language, was a huge success. The participants displayed excellent communication skills and showcased their love for the language and culture. The competition provided a platform for students to improve their public speaking abilities and promote the use of Hindi as a means of communication. The event was a great way to celebrate the rich cultural heritage of India, and we look forward to more such events in the future.

REPORT

Name of the Program	:	Communication skills
Date	:	10-11-2021
Timings	:	9.30 am to 3.30 pm
Resource person	:	Mrs. P.Indira, Soft skills trainer from Talent Sprint
No of participants	:	60

Underlining the importance of Communication Skills in the ever-changing world, Avanthi Institute of Engineering and Technology organized a One day training program on Communication skills. The program is to make the students improve their communication skills and public speaking skills. Resource person, Mrs P.Indira explained about the importance of Communication skills for engineering students. She explained in detail about the four important language skills namely:

- Listening
- Speaking
- Reading
- Writing

During the post lunch session, the resource person explained the e-mail writing, resume writing and interview skills.

The students were given number of opportunities to communicate in English during the training session. The speaker corrected and students and increased their confidence levels by suggesting various tips to improve communication skills. The speaker exhorted that Communication skills can be developed only through thorough practice. News paper reading, vocabulary practice, mock interviews, etc are the ways to improve English language skill, she remarked. The students raised various doubts about communication skills which were clearly answered by the speaker. The speaker used various examples to derive outstanding output throughout the program and impressed upon the audience the importance of right diction and effective communication.

SAY NO TO PLASTIC

Name of the activity	: Awareness Program on "Say No to Plastic" (Rally)
Date of conduction	: 03-07-2021
Time	: 9.00 AM
Venue for the activity	: Chippada, Near AIET
Organizing Unit	: NSS Unit
Audience/Group present	: I B.Tech Students
Chief guest/guests present	: The Principal, Dr.S.N.V Ganesh, Mr.H.Sharief (NSS – Coordinator)
No.of Volunteers present	: 80

The NSS wing of the college organized an awareness rally on 03.07.2021 at 9.00 A.M to inform the public about the dangers of plastic usage. This program concentrates on the harmful effects of plastics with the theme "Say No to Plastic Bags". This programme highlights that plastic bags are a threat to our environment, because a single plastic bag takes up to a 1000 years to decompose, as it contains non-renewable petrochemicals. The students and faculty raised the slogans "Plastic bag is a death bag & Plastic is a parasite that is causing the downfall of our environment". Speaking on the occasion, Principal Dr.SNV Ganesh stated that the government has decided to take plastic ban as a National Level Campaign to address the environmental hazards. In this regard, our institution has also joined hands to bring about changes in the way we interact with the environment and save the lives of not only human beings, but also other living creatures, the principal remarked. 80 volunteers participated actively in this programme.

'Say no to plastic' rally was taken out at Tagarapuvalasa in which students and NSS volunteers participated. Through this programme, the students were made aware of the consequences they have to face by using plastic. The Programme focused on the following points:

1. Ban the use of single use plastic on the campus.
2. Avoid bringing Non bio-degradable plastic items to the institution.

VANAM MANAM

Name of the activity	: Vanam Manam
Date of organizing	: 29-07-2021
Time	: 10:00AM
Venue for the activity	: Avanathi Institute of Engineering & Technology (College ground)
Organizing Unit	: NSS Unit
Audience/Group present	: NSS Volunteers, Students, Principal and HODs
Chief guest/guests present	: The Principal, Dr.SNV Ganesh & Director Dr.A.Chandra Sekhar
No. of Volunteers present	: 60

The NSS Unit of Avanathi Institute of Engineering and Technology organized a **Vanam Manam** Program at the campus on 29-7-2021. The main objective of this program is to bring the awareness on Need of plants in our life and also to educate the importance of Plantation to the students of the college.

The principal on the occasion remarked that -“ We, Avanthians, believe in promoting a society which cares to protect, preserve and conserve our environment. Realizing the importance of sustainable development, many activities are undertaken to make the campus environment friendly and to make the students sensitive to the ecological issues as a part of this programme”. Some activities include as a part of the Vanam Manam are:

- The introduction of eco-friendly paper cups in the cafeteria,
- Recharge of groundwater using a water recharge well and using energy saving equipment in the campus.
- Plantation drive

The principal stated that the college has a compost pit in which organic matter is converted into manure and constant efforts are made to minimize the waste generated from the labs. The institute has gone paper-free by introducing an online application process for student's admission purpose, he remarked.

NUTRITION DAY

Name of the activity	: Awareness Program on "Nutrition day"
Date of the programme	: 06-09-2021
Time	: 10:00 AM
Venue for the activity	: Chippada, Near AIET
Organizing Unit	: NSS Unit
Audience/Group present	: I B.Tech Students
Chief Guest present	: The Principal, Mr.H.Sharief (NSS –Coordinator)
No.of Volunteers present	: 65

NUTRITION DAY:

The NSS wing of the Avanthi Institute of Engineering and Technology, Cherukupalli, organized an awareness rally on 06.09.2021 at 10:00 AM on the eve of Nutrition Day. Speaking on the occasion, the NSS coordinator remarked that "A healthy diet throughout life promotes healthy outcomes, supports normal growth, development and ageing, helps to maintain a healthy body weight, and reduces the risk of chronic disease leading to overall health and well-being".

He along with faculty and students distributed nutritious food for the people who live in the vicinity of the college on the occasion of **Nutrition Day**. This program concentrates on each and every person in the village and spreads awareness on the importance of nutritious food to become healthy and fit.

The staff visited ZPH School Chippada and created awareness about health and nutrition and said that the women, generally, need more calories than men, but deficiency of specific vitamins and minerals cause lot of health issues, such as hormonal changes related to menstruation, childbearing, menopause and osteoporosis that cause increased risk of anaemia, rickety bones, risk of fracture, thus needing a higher intake of nutrients like iron, calcium, magnesium, vitamin D and Folic acid (vitamin B9), especially through nutritious and fiber rich food.

They also explained about the lack of right nutrition for millions of poor children across the country results in their stunted growth. Many poor adults could ill-afford nutritious food which affects their health and productivity, they remarked. They also spoke about the various programs by the

governments at the state and central levels aimed at poor children and families go a long way in addressing the problem. The NSS coordinator said that the Right awareness about nutritious and healthy foods is beneficial to all sections of the society.

The college always tries its best to promote awareness about right nutrition and extends its help to carry this mission forward. The programme met with success as people readily responded to the initiative and appreciated the efforts of the institute in promoting right nutrition.

Doctor	: Dr. V. Sumana, Dr. Someswara Rao and Dr. Lakshman
No. of Volunteers present	: 65

BLOOD DONATION CAMP

Description:

The supply of blood falls well short of the demand for it across country. There is an urgent need for Blood Donation as the demand for blood in the country far outweighs the supply. Hence, Avanathi Institute of Engineering and Technology with a noble thought to protect and save the lives of people came forward and provided an opportunity for good Samaritans to come forward and donate blood to save precious lives. The Blood Donation Camp was organized in collaboration with Life Share Blood Centre.

Director of Life Share Blood Centre Dr. V. Sumana said that- there are many fears around blood donation like the loss of energy or the complications as a result of blood donation, but these fears are ill-founded as all healthy individuals can donate blood every three months without facing any ill-consequences. It is also healthier to donate blood periodic all, the director remarked.

Blood donation camp at Avanathi Institute of Engineering and Technology, Cherukupally, started at 09: 30 AM in the seminar hall. The Principal, Dr.SNV Ganesh, inaugurated the camp and motivated the students by saying that AIET students are very enthusiastic and serve as a good example in standing up for the right cause. The Principal was the first to donate blood and led example for many.

A total unit of 50 units of blood was donated. "LIFE SHARE BLOOD CENTRE "organization appreciated the students for their contribution and distributed the appreciation certificates and pens

Dear Sir,

On behalf of **LIFE SHARE BLOOD BANK**, we are extremely thankful for your support in organizing a Voluntary **Blood Donation camp** on 20/08/2021, We are able to collect 72 units of Blood in this camp.

We want to take this opportunity to say our heartfelt **THANKS** to you and your entire team in giving a great opportunity to save many patients who are in direct need of Blood. We all know the importance of blood donation that **BLOOD IS LIFE SAVIOUR**.

Convey our sincere appreciation to all the Blood donors who came forward to donate in this camp. We look forward to see you for the next Blood Donation camp with much more enthusiasm.

With Regards

Dr. V. Sumana

Audience/Group present	: Faculty members, Principal, Director, all HODs, Students, NSS Program officer
Chiefguests/guestspresent	: Doctors from KGH Dr.M.Sridhar, Dr.M.Geetha, Dr.girija

World Health Day

World Health Day is a Global Health Awareness Day observed on April 7th every year. It is organized by the World Health Organization (WHO) and serves as a global platform to raise awareness and promote action on important health issues that affect people worldwide.

Avanthi Institute of Engineering and Technology creates awareness on World Health Day and focuses on a specific theme related to public health, and events and activities and aims to raise awareness among, students, staff and general public and advocate for better health outcomes for all. Dr. M.Sridhar, Junior doctor from KGH explained that World Health Day provides an opportunity to highlight the importance of health in our daily lives and to address key health challenges facing humanity. He also remarked that it serves as a reminder to individuals, communities, and governments about the importance of investing in health promotion, disease prevention, and access to quality healthcare services.

Another doctor, Dr. M. Geetha stated that "World Health Day also aims to mobilize individuals and communities to take action to improve their health and well-being and to advocate for policies and practices that promote health equity and universal health coverage. In recent years."

World Health Day focused on various themes such as mental health, universal health coverage, vaccination, diabetes, and antimicrobial resistance, among others. Through campaigns, events, and awareness-raising activities, the college aims to educate and engage people around the world on important health issues and inspire action to improve global health outcomes.

AIET celebrated World Health Day by sensitizing students about health issues, promoting healthy

behaviours in their community, supporting local health initiatives, advocating for health policies that promote equity and access to healthcare, and spreading awareness about the importance of health and well-being. "Together, we can work towards building healthier communities and a healthier world" is the slogan of Avanthians.

AIET Management, in collaboration with King George Hospital doctors and staff, has organised health camps in the neighbouring villages of Gudivada, Annavaram, Kavulavada villages in Anandapuram.
