

Author's Profile

Dr. J.K. Kanimozhi completed her Ph.D. in Science and Humanities from Anna University, Chennai in 2011. She earned her M.Phil. in Computer Science from Bharathidasan University in 2004, M.Sc. in Computer Science from Navarasam Arts and Science College for Women, Arachalur in 2001, and B.Sc. in Computer Science from Sengunthar Arts and Science College, Tiruchengode in 1999. Currently, she is working as an Assistant Professor in the Department of Artificial Intelligence and Machine Learning at SRM Institute of Science and Technology, Ramapuram Campus, Chennai (2026). Previously, she is working as an Assistant Professor in the Department of Computer Applications at K.S.R. College of Engineering (Autonomous), Tiruchengode (2024), she served as an Associate Professor in the PG & Research Department of Computer Science and Applications at Vivekanandha College of Arts and Sciences for Women (Autonomous), Tiruchengode (2022), and as a Professor in the PG & Research Department of Computer Science at Sengunthar Arts and Science College, Tiruchengode (2015). She also held the position of Professor in the Department of M.Sc. Computer Science at K.S. Rangasamy College of Technology, Tiruchengode (2001). With over 23 years of teaching experience and 15 years of research experience, she has contributed extensively to academia. She has published more than 60 research papers in national and international journals and presented 55 research papers at various conferences. She has supervised 5 Ph.D. scholars at Periyar University and 25 M.Phil. Scholars in the field of Computer Science. Dr. Kanimozhi has published 10 patents and authored 6 books in the field of Computer Science. She has received 8 awards in recognition of her academic contributions. She has also organized over 60 national and international seminars and conferences with various workshop and seminars. She actively serves as a member on various institutional committees, and also contributes as a resource person, jury member, journal reviewer, and Board of Studies (BoS) member for various academic institutions.

Dr. Gandhi Satyanarayana is currently working as Professor & Head, Department of Computer Science and Engineering at Avanhi Institute of Engineering and Technology (Autonomous), Cherukupally, Vizianagaram District, Andhra Pradesh, India, where he has been serving since 2019. He holds an M.Tech. in Computer Science and Technology, specializing in Artificial Intelligence & Robotics, from Andhra University and a Ph.D. in Computer Science and Engineering from GITAM Deemed to be University, Visakhapatnam. He has more than 28 years of teaching and academic administrative experience at UG and PG levels. His research interests include Artificial Intelligence, AI & Robotics, Computer Security, and Safety-Critical Computer Systems. He has published 5 SCI-indexed, more than 20 Scopus-indexed, and more than 15 UGC-CARE journal papers, authored 4 books with ISBNs, and has 7 published patents. He is a recognized JNTU-GV Research Guide, currently guiding one research scholar, and has supervised nearly 45 UG and 15 PG student projects. He is a Life Member of ISTE, CSI, and IAENG and continues to contribute to teaching, research, innovation, Artificial Intelligence, cybersecurity and institutional development.

Dr. B. Uma Maheswari is a Professor in the Department of Computer Science and Engineering at St. Joseph's College of Engineering, Chennai. She earned her M.E. in Computer Science and Engineering in 2004 and her Ph.D. in 2015 from Anna University. With 26 years of teaching experience, her research interests include Software Testing, Machine Learning, Data Mining, and Artificial Intelligence. Her dedication to her field is evident through her extensive experience and ongoing contributions to research and education in computer science and engineering.

Dr. Karthick S is serving as a professor in the Department of Electronics and Communication Engineering at Erode Sengunthar Engineering College, Erode, Tamil Nadu, India. He received his bachelor's degree in electrical and electronics engineering from Bharathiyar University, a Master's in Engineering in Applied Electronics at K.S.R. College of Technology, and a Ph.D. from Anna University in the years 2004, 2006, and 2018. He has 20 years of teaching experience and 6 years of industry experience. He published more than 27 research papers and 3 patents. His field of interest includes fuzzy logic, neural networks, image processing, and soft computing techniques.
