

Mr. Chennaiah Kate, is currently working as Assistant Professor in the Department of Information Technology at St.Peter's Engineering College, Hyderabad,Telangana. He has nearly 12 years of teaching experience in engineering education. He has expertise in Python Programming, Data science, Java Programming and C Programming and has been a trainer on Python programming and Java Programming. He completed the B.Tech in CSE from Acharya Nagarjuna University, Guntur in 2009 and M.Tech in CSE from National Institute of Technology, Durgapur in 2011. His area of research includes Machine Learning, Artificial Intelligence, Data science.

Dr. Siddhartha Choubey, He is working as Professor and Head Of Department (Computer Science and Engineering , DataScience , IoT ,and cyber Security with Blockchain , TCS (CSBS)) in Shri Shankaracharya Technical Campus Bhilai, India. having 20 yrs of Experience. He has published more than 80 research papers in various international and national journals and conferences. His areas of interest includes Networking, Parallel Processing, image processing, biomedical imaging, neural network, fuzzy logic, pattern recognition, Bio informatics, AI, Machine Learning, Deep Learning, Data Science, IOT, Blockchain, Cloud.

Dr. Gandhi Satyanarayana is currently working as Professor and Head in the department of Computer Science & Engineering in Avanthi Institute of Engineering and Technology, Cherukupally (Village), Near Thagarapavalasa Bridge, Vizianagaram (Dist), Pin-531162, AP, and India. He received M.Tech-CST with Specialization in Artificial Intelligence & Robotics from Andhra University and Ph.D in CSE from GITAM University, Visakhapatnam. He has more than 25 papers in International Journals like SCI, Scopus and UGC/Conferences and attended several FDP and training programs. He published two patents. He has more than 25 years of teaching experience at UG and PG level. He is keen in the field of Artificial Intelligence, Security and Safety Critical Computer Systems. He is a Life member of ISTE, CSI and IAENG. He has expertise in Python Programming, AI, Datascience and Cyber Security.

Dr. A. Mohan more than 18 years of teaching experience. He is working as Professor in the Department of Information Security, Institute of Computer Science and Engineering, at SIMATS School of Engineering, Chennai, TamilNadu, India. He did his Undergraduate B.Tech Information Technology at Madras University. He did his Postgraduate M.Tech in Information Technology at Satyabhama University. He did his Ph. D from Anna University, Chennai. He has published more than 28 research papers in various International and National conferences and journals. His areas of interest include Computer Networks, Operating Systems and Machine Learning.
