INSTITUTE LEVEL VISION, MISSION AND QUALITY POLICY

Vision:

To develop highly skilled professionals with ethics and human values.

Mission:

1. To impart quality education with industrial exposure and professional training.
2. To produce competent and highly knowledgeable engineers with positive approach.
3. To develop self confidence among students is an imperative pre requisite to face the challenges of life.

Quality Policy:

Avanthi Institute of Engineering and Technology, emphasizes the ethical ideals to innovate advanced training by creating the best possible infrastructure through an engaging, activity-oriented teaching. It also uses the most updated information and communication technology to enhance an engineering approach among the students, aiming for an effective and ambitious administration which is responsive in all the aspects.

DEPARTMENT WISE PEOs AND PSOs: UG COURSES

Department of Computer Science Engineering

Vision:

To emerge as recognized center through strong research and teaching environment to address technological needs of the stakeholders.

Mission:

The Mission of the Department of Computer Science and Engineering is to:

M1: Provide quality education in both the theoretical and applications of computer science and apply education to solve real-world problems.

M2: Conduct research to advance the state of the art in computer science and integrate research results and innovations into other scientific disciplines.

M3: Graduates with ability to solve complex problems that address societal needs and develop appropriate computer Programs with latest tools and technologies.

M4: Graduates with ability to pursue advanced education, research, other creative and innovative efforts in computer science & engineering for successful career.

Program Educational Objectives (PEOs)

PEO 1:

Graduates are prepared to be engineering practitioners in the areas of computer science and Engineering to solve industry's technological problems.

PEO 2:

Graduates are prepared to be employed in IT industries through advanced education, research and development and entrepreneurial skills.

PEO 3:

Graduates are prepared to be responsible computing professionals in an ethical manner.

Program Specific Outcomes (PSOs)

PSO 1:

Analyze the problem and identify computing requirements appropriate to its solution.

PSO 2:

Design and development of software based solutions to the real world problems.

PSO 3:

Adapt to a rapidly changing environment by learning and employing emerging software tools and technologies.

SHORT TERM GOALS:

- To acquire endorsement from the National Assessment and Accreditation Council – NAAC
- To develop the department into the centre of excellence.
- To achieve notable academic results.
- To create the highest caliber of communication skills among students.

LONG TERM GOALS:

- To develop more research programmes in Computer Engineering field.
- To encourage industry – institution partnership with the collaboration of the department, private software industries and Public IT sectors.
- To establish a research center.
- Continuous improvement in infrastructure and lab equipment.
- To offer more employability through Training Programmes.

Department of Electronics & Communication Engineering

Vision:

To be a Centre of Excellence for High Quality Education and Research in the field of Engineering and Technology & human values with commitment of service for betterment of society and nation.

Mission:

The Mission of the Department of Electronics and Communication Engineering is to:

M1: To facilitate young engineers to acquire technical exposure in the areas of Electronics and Communication Engineering.

M2: To prepare students for a brilliant career/entrepreneurship along with the development of knowledge, skills, attitude and teamwork for a successful professional career.

M3: To ensure effective teaching–learning process to provide in-depth knowledge of principles and its applications.

M4: To provide value based education by promoting the activities meeting the societal needs.

Program Educational Objectives (PEOs)

PEO 1:

To prepare Graduates with sound foundation in fundamentals of mathematics, science and engineering to assist them exhibit strong, independent learning, analytical & problem solving skills in Electronics and Communication Engineering domain.

PEO 2:

To facilitate learning in the core field with effective use of modern equipment and programming tools to solve real life, multi-disciplinary problems with professional, ethical attitude and also to make them aware of their social responsibilities.

PEO 3:

To assist and enable individuals to imbibe lifelong learning in thrust areas related to research & innovation to have Progressive Careers or Entrepreneurs.

Program Specific Outcomes (PSOs)

Engineering Students will be able to:

PSO 1: The ability to apply concepts in electronics and communication engineering, to design and implement complex systems in the areas related to analog and digital electronics, communication, signal processing, VLSI & ES.

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by A.I.C.T.E., New Delhi, & Permanently Affiliated to J.N.T.U.K., Kakinada)

NAAC “B++” Accredited Institute

Cherukupally (Village), Near Tagarapuvalasa Bridge, Vizianagaram -531162.

www.aietta.ac.in, principal@aietta.ac.in

PSO 2:

Ability to provide discerning solutions based on the expertise in electronics and communication courses in competitive examinations for successful employment, higher studies and research.

SHORT TERM GOALS:

- Introduce innovative teaching pedagogues.
- To acquire endorsement from the National Assessment and Accreditation Council – NAAC
- To encourage Industry-Institute-Interaction, resulting in consultancy, collaborative projects, training, and student projects.
- To Increase the number of Industrial visits and Advanced Industrial Training.

LONG TERM GOALS:

- To continue to focus on a few important interdisciplinary areas of excellence that will create outstanding programs of research and innovation while contributing to a strong undergraduate learning experience.
- To encourage industry – institution partnership with the collaboration of the department, private and public sectors.
- To achieve cent percent placements.
- Continuous improvement in infrastructure and lab equipment.

Department of Electrical & Electronics Engineering

Vision:

To emerge as a Center of Excellence for disseminating knowledge and research in the area of Electrical and Electronics Engineering.

Mission:

The Mission of the Department of Electrical & Electronics Engineering is to:

M1: Impart quality education for addressing the needs of present & emerging technological world.

M2: Interact with industry and research organizations to provide a unique set of well- rounded learning skills.

M3: To enable graduates to take on the mantle of higher responsibilities in the domain of Electrical Engineering.

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by A.I.C.T.E., New Delhi, & Permanently Affiliated to J.N.T.U.K., Kakinada)

NAAC "B++" Accredited Institute

Cherukupally (Village), Near Tagarapuvalasa Bridge, Vizianagaram -531162.

www.aietta.ac.in, principal@aietta.ac.in

M4: To produce competent and highly knowledgeable engineers with positive approach and self-confidence to face the challenges of life.

Program Educational Objectives (PEOs)

PEO 1:

To produce graduates with a strong foundation in the Basic Sciences, Mathematics, Computing and core knowledge in Electrical and Electronics Engineering through high quality Technical Education.

PEO 2:

To prepare graduates for successful and productive engineering careers, with emphasis on technical competency and with an attention to serve the needs of core and associated sectors by developing novel products and solutions for the real-time problems in a socio-economic way.

PEO 3:

To inculcate ethical attitude, honing effective communication skills and managerial skills to work in a multidisciplinary environment as a technocrat/administrator/entrepreneur and to acquire the knowledge for pursuing advanced degrees in Engineering, Science, Management, Research and Development.

Program Specific Outcomes (PSOs)

Engineering Students will be able to:

PSO 1:

Apply the concepts of Power Systems, Power Electronics and utilization of Renewable Energy in implementation of interdisciplinary projects.

PSO 2:

Acquire the knowledge of Electrical and Electronics Engineering to participate in national and international competitive examinations for successful higher studies and employment.

SHORT TERM GOALS:

- Placement of students in core companies
- Training the students to bridge the gap between industry and academia.
- Industry and institute interaction.
- To acquire endorsement from the National Assessment and Accreditation Council – NAAC

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

LONG TERM GOALS:

- Institute collaborations with universities.
- Continuous improvement in infrastructure and lab equipment.
- Research projects and with good publications.

Department of Mechanical Engineering

Vision:

To maintain high standards of Mechanical Engineering education through outstanding innovative curricular research training that reflects the changing needs of society.

Mission:

The Mission of the Department of Mechanical Engineering is to:

M1: Prepare effective and responsible graduate engineers for global requirements by providing quality education.

M2: Constantly strike to improve pedagogical methods employed in delivering the academic programs.

M3: Respond effectively to the needs of the industry and changing world.

M4: Conduct basic and applied research and to generate intellectual property.

Program Educational Objectives (PEOs)

PEO 1:

To apply technical knowledge in the domain of core engineering and allied disciplines contributing to society through interdisciplinary expertise.

PEO 2:

Strengthen technical competence by enhancing their self-learning capacity throughout their professional career as well as to pursue higher education.

PEO 3:

Explore their artistry in emerging areas of engineering flourishing their leadership qualities pertaining to ethical innovation with social responsibility.

Program Specific Outcomes (PSOs)

Engineering Students will be able to:

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

NAAC "B++" Accredited Institute

Cherukupally (Village), Near Tagarapuvalasa Bridge, Vizianagaram -531162.

www.aietta.ac.in, principal@aietta.ac.in

PSO 1:

To solve engineering problems through delineation and perusal relating to mechanical systems and other allied engineering streams with / without advanced software tools.

PSO 2:

To work solitary / array in developing core and multidisciplinary concepts for effective utilization of resources ensuring the best practices in the relevant.

SHORT TERM GOALS:

- Placement of students in core companies
- Training the students to bridge the gap between industry and academia.
- To establish a research center.
- To acquire endorsement from the National Assessment and Accreditation Council – NAAC

LONG TERM GOALS:

- Research projects with good publications.
- Continuous improvement in teaching learning methodologies.
- Research projects and Consultancy.
- All Faculties shall acquire doctorate degrees.

Department of Civil Engineering

Vision:

To maintain high standards of Civil Engineering education through outstanding innovative curricular research training that reflects the changing needs of society.

Mission:

The Mission of the Department of Civil Engineering is:

M1: To produce Civil Engineers of high ability, technical skills and ethical values to serve the Society and Nation.

M2: To make the department a centre of excellence in the field of Civil Engineering.

M3: To provide knowledge base and consultancy services to the community in all areas of Civil Engineering.

M4: To promote innovative thinking in the minds of budding engineers to face the future challenges.

www.aietta.ac.in, principal@aietta.ac.in

Program Educational Objectives (PEOs)

PEO 1:

Graduates will excel as successful Civil Engineers, Academicians and Researchers.

PEO 2:

Graduates of the programme will continue to engage in lifelong learning, possess good communication skills, managerial skills, team work and social responsibility while exhibiting ethical attitude.

PEO3:

Graduates of the programme will explore and apply the modern Engineering tools for Planning and Designing of various Civil Engineering projects that are technically and economically viable.

Program Specific Outcomes (PSOs)

PSO 1:

Students will be able to Plan, Survey and Estimate and execute various Civil Engineering Projects.

PSO 2:

Students will be able to Design Sub-Structure, Super-Structure and Pavements.

PSO 3:

Students will be able to apply the techniques for design of various Water front structures and solving the various Environmental issues.

Department of Basic Sciences & Humanities

Vision:

The department of Basic Sciences and Humanities is devoted to enhance the knowledge and understanding of the students in the field of basic sciences. The department is dedicated to provide the basic education through promoting research in diverse and interdisciplinary fields and strives to equip the students with knowledge and skills in order to excel in any field through an effective and time-tested syllabus.

Mission:

The Mission of the Department of Computer Science and Engineering is to:

M1: To widen the intellectual acumen and to bring out excellence among students.

M2: To imbibe the qualities of optimism, along with a sense of responsibility to a larger community.

M3: To recognize the innate or innate talents in each student.

M4: To develop the overall personality of a person - mind, body and spirit.

M5: To inculcate the habits of social responsibility, honesty, humility and persistence.

DEPARTMENT WISE PEOs AND PSOs: PG COURSES

Department of Computer Science and Engineering - CSE

Program Educational Objectives (PEOs):

PEO 1:

Have knowledge and expertise to analyze data and networks using latest tools and Technologies.

PEO 2:

Acquire the knowledge on modern tools to solve hardware and software solutions.

Program Specific Outcomes (PSOs):

PSO 1:

Comprehend latest tools and techniques of Computer Engineering so that they can analyze, design and create computing products and solutions for real life problems.

PSO 2:

Expose to learn life skills and Intrapersonal development activities to face the dynamically changing technology.

PSO 3:

Solve interdisciplinary activities, with professional attitude and ethics, communication to work under team and to ability to solve social issues through their employment. Higher Studies and research.

Department of Mechanical Engineering – CAD/CAM

Program Educational Objectives (PEOs):

PEO 1:

Turn into successful women engineer with sound technical knowledge in design and manufacturing of mechanical systems.

PEO 2:

Play a key role in research, innovation and entrepreneurship to address societal and environmental issues.

PEO 3:

Develop professional and ethical values in the working environment as a part of lifelong learning and practice.

Program Specific Outcomes (PSOs):

PSO 1:

Create and deploy new ideas on mechanical systems with optimal design, analysis and evolution in using modern CAD Tools.

PSO 2:

Solve critical technical problems in core areas with the use of latest CAM Tools and Technologies.

Department of Electronics & Communication Engineering – VLSI & ES

Program Educational Objectives (PEOs):

PEO 1:

To educate and train the graduates with knowledge and skills necessary to formulate, design and solve problems in analog, digital & mixed signal VLSI Embedded system design, VLSI Signal processing & Hardware Software Co-design.

PEO 2:

Pursue career in research in the various fields of VLSI and Embedded Systems domain through self-learning on cutting edge technologies.

Program Specific Outcomes (PSOs):

PSO 1:

To design and develop VLSI circuits by learning advanced design techniques and algorithms to optimize design parameters requirement.

PSO 2:

Integration of embedded co-design for design methodologies in embedded & IoT applications.

Department of Electrical & Electronics Engineering - PS & PE

Program Educational Objectives (PEOs):

PEO 1:

Ability to identify, analyses, design and solve complex and emerging problems of Power Electronics and drives.

PEO 2:

Attain industry leadership skills to cater to the changing needs of Power Electronics industry, academia, society and environment.

PEO 3:

Solve the real world problems in the emerging fields like smart grid, renewable energy interfaces and electric vehicles and to develop innovative technologies relevant to social, ethical, economic and environmental issues.

Department of Management Studies

Vision:

To be a leading management department that contributes to the development of society through excellence in grooming leadership, entrepreneurial talent and research.

Mission:

Our mission is to impart value based management education, open new avenues for employment generation by developing skill and competency of the students and transform them professionals through a relentless pursuit of excellence in teaching, research, consultancy, management development and industry-institution interaction in the country and abroad.

Program Educational Objectives (PEOs):

PEO 1:

Shall be working as reputed managers of excellence in industry.

PEO 2:

Shall be able to purse entrepreneurial stream.

PEO 3:

Shall be leading lives of effective social and ethical values.

PSO 1:

To transform management students with knowledge of business and entrepreneurship embedded with ethics and social commitment striving towards personal success and value creation to society.

PSO 2:

To ignite management students with an approach of multidisciplinary in areas of problem solving, critical analysis and decision making to become effective managers.

SHORT TERM GOALS:

- Training the students to bridge the gap between industry and academia.
- To achieve notable academic results.

LONG TERM GOALS:

- Faculty with good research projects and publications.
- Continuous improvement in teaching learning methodologies.
