## INSTITUTE LEVEL VISION, MISSION AND QUALITY POLICY

### **Vision:**

To develop highly skilled professionals with ethics and human values.

### **Mission:**

1. To impart quality education with industrial exposure and professional training.
2. To produce competent and highly knowledgeable engineers with positive approach.
3. To develop self confidence among students is an imperative pre requisite to face the challenges of life.

### **Quality Policy:**

Avanthi Institute of Engineering and Technology, emphasizes the ethical ideals to innovate advanced training by creating the best possible infrastructure through an engaging, activity-oriented teaching. It also uses the most updated information and communication technology to enhance an engineering approach among the students, aiming for an effective and ambitious administration which is responsive in all the aspects.

## DEPARTMENT WISE PEOs AND PSOs: UG PROGRAMS

### **Department of Computer Science Engineering**

### **Vision:**

To emerge as recognized center through strong research and teaching environment to address technological needs of the stakeholders.

### **Mission:**

The Mission of the Department of Computer Science and Engineering is to:

**M1:** Provide quality education in both the theoretical and applications of computer science and apply education to solve real-world problems.

**M2:** Conduct research to advance the state of the art in computer science and integrate research results and innovations into other scientific disciplines.

**M3:** Graduates with ability to solve complex problems that address societal needs and develop appropriate computer Programs with latest tools and technologies.

**M4:** Graduates with ability to pursue advanced education, research, other creative and innovative efforts in computer science & engineering for successful career.

## **Program Educational Objectives (PEOs)**

### **PEO 1:**

Graduates are prepared to be engineering practitioners in the areas of computer science and Engineering to solve industry’s technological problems.

### **PEO 2:**

Graduates are prepared to be employed in IT industries through advanced education, research and development and entrepreneurial skills.

### **PEO 3:**

Graduates are prepared to be responsible computing professionals in an ethical manner.

## **Program Specific Outcomes (PSOs)**

### **PSO 1:**

Analyze the problem and identify computing requirements appropriate to its solution.

### **PSO 2:**

Design and development of software based solutions to the real world problems.

### **PSO 3:**

Adapt to a rapidly changing environment by learning and employing emerging software tools and technologies.

## **Department of CSE - Data Science**

## **Program Educational Objectives (PEOs)**

### **PEO1:**

Graduates are prepared to apply analysis, predictions, optimization, decision making and develop skills in order to formulate and solve complex problems in the area of Data Science.

### **PEO2:**

Graduates are prepared to take up higher studies, research & development and other creative efforts in the area of Data Science which drives scientific and societal advancement through technological innovation and entrepreneurship.

### **PEO3:**

Graduates are prepared to use their skills and abilities in an ethical & professional manner.

## **Department of Electronics & Communication Engineering**

### **Vision:**

To be a Centre of Excellence for High Quality Education and Research in the field of Engineering and Technology & human values with commitment of service for betterment of society and nation.

### **Mission:**

The Mission of the Department of Electronics and Communication Engineering is to:

**M1:** To facilitate young engineers to acquire technical exposure in the areas of Electronics and Communication Engineering.

**M2:** To prepare students for a brilliant career/entrepreneurship along with the development of knowledge, skills, attitude and teamwork for a successful professional career.

**M3:** To ensure effective teaching–learning process to provide in-depth knowledge of principles and its applications.

**M4:** To provide value based education by promoting the activities meeting the societal needs.

## **Program Educational Objectives (PEOs)**

### **PEO 1:**

To prepare Graduates with sound foundation in fundamentals of mathematics, science and engineering to assist them exhibit strong, independent learning, analytical & problem solving skills in Electronics and Communication Engineering domain.

### **PEO 2:**

To facilitate learning in the core field with effective use of modern equipment and programming tools to solve real life, multi-disciplinary problems with professional, ethical attitude and also to make them aware of their social responsibilities.

### **PEO 3:**

To assist and enable individuals to imbibe lifelong learning in thrust areas related to research & innovation to have Progressive Careers or Entrepreneurs.

## **Program Specific Outcomes (PSOs)**

Engineering Students will be able to:

**PSO 1:** The ability to apply concepts in electronics and communication engineering, to design and implement complex systems in the areas related to analog and digital electronics, communication, signal processing, VLSI & ES.

### **PSO 2:**

Ability to provide discerning solutions based on the expertise in electronics and communication courses in competitive examinations for successful employment, higher studies and research.

## **SHORT TERM GOALS:**

- Introduce innovative teaching pedagogues.
- To encourage Industry-Institute-Interaction, resulting in consultancy, collaborative projects, training, and student projects.
- To Increase the number of Industrial visits and Advanced Industrial Training.

## **LONG TERM GOALS:**

- To continue to focus on a few important interdisciplinary areas of excellence that will create outstanding programs of research and innovation while contributing to a strong undergraduate learning experience.

## Department of Electrical & Electronics Engineering

### Vision:

To emerge as a Center of Excellence for disseminating knowledge and research in the area of Electrical and Electronics Engineering.

### Mission:

The Mission of the Department of Electrical & Electronics Engineering is to:

**M1:** Impart quality education for addressing the needs of present & emerging technological world.

**M2:** Interact with industry and research organizations to provide a unique set of well- rounded learning skills.

**M3:** To enable graduates to take on the mantle of higher responsibilities in the domain of Electrical Engineering.

**M4:** To produce competent and highly knowledgeable engineers with positive approach and self-confidence to face the challenges of life.

### Program Educational Objectives (PEOs)

#### **PEO 1:**

To produce graduates with a strong foundation in the Basic Sciences, Mathematics, Computing and core knowledge in Electrical and Electronics Engineering through high quality Technical Education.

#### **PEO 2:**

To prepare graduates for successful and productive engineering careers, with emphasis on technical competency and with an attention to serve the needs of core and associated sectors by developing novel products and solutions for the real-time problems in a socio-economic way.

#### **PEO 3:**

To inculcate ethical attitude, honing effective communication skills and managerial skills to work in a multidisciplinary environment as a technocrat/administrator/entrepreneur and to acquire the knowledge for pursuing advanced degrees in Engineering, Science, Management, Research and Development.

### **PEO 3:**

Explore their artistry in emerging areas of engineering flourishing their leadership qualities pertaining to ethical innovation with social responsibility.

## **Program Specific Outcomes (PSOs)**

Engineering Students will be able to:

### **PSO 1:**

To solve engineering problems through delineation and perusal relating to mechanical systems and other allied engineering streams with / without advanced software tools.

### **PSO 2:**

To work solitary / array in developing core and multidisciplinary concepts for effective utilization of resources ensuring the best practices in the relevant.

## **SHORT TERM GOALS:**

- Placement of students in core companies

## Department of Civil Engineering

### **Vision:**

To maintain high standards of Civil Engineering education through outstanding innovative curricular research training that reflects the changing needs of society.

### **Mission:**

The Mission of the Department of Civil Engineering is:

**M1:** To produce Civil Engineers of high ability, technical skills and ethical values to serve the Society and Nation.

**M2:** To make the department a centre of excellence in the field of Civil Engineering.

**M3:** To provide knowledge base and consultancy services to the community in all areas of Civil Engineering.

**M4:** To promote innovative thinking in the minds of budding engineers to face the future challenges.

### **Program Educational Objectives (PEOs)**

#### **PEO 1:**

Graduates will excel as successful Civil Engineers, Academicians and Researchers.

#### **PEO 2:**

Graduates of the programme will continue to engage in lifelong learning, possess good communication skills, managerial skills, team work and social responsibility while exhibiting ethical attitude.

#### **PEO3:**

Graduates of the programme will explore and apply the modern Engineering tools for Planning and Designing of various Civil Engineering projects that are technically and economically viable.

### **Program Specific Outcomes (PSOs)**

#### **PSO 1:**

Students will be able to Plan, Survey and Estimate and execute various Civil Engineering Projects.

#### **PSO 2:**

- The GB members suggested to the R&D Coordinator to make a part of all the staff members in the schemes like Kapila.

## Item-7

- Proposal of lift in the main building (Block-2)

## Resolutions:

- It is discussed and proposed to complete erection of lift in the main building.

## Item: 8

- Recruitment of PhD holders for various proposed position maintaining cadre ratio as per norms.

## Resolutions:

- All departments have to maintain an appropriate number of faculty members in accordance with the cadre ratio, the mechanical and B&SH departments are meeting norms.
- Remaining departments required maintaining the cadre ratio; the departments of CSE, ECE and EEE should recruit faculty members with PhD degree to fill the positions of Associate Professors and Professors.

## Item: 9

- Department of Mechanical Engineering-Recognition of Research Center by JNTU-GV

## Resolutions:

- Principal is informed that the department of Mechanical Engineering has achieved Research center for the academic years 2024-2025 & 2025-2026.

## Item: 10

- Miscellaneous issues.

## Resolutions:

- The committee discussed about the requirements for execution of Autonomous works like Dean of Academics, Controller of examinations, Dean R&D, Additional controller of examinations, etc.
- Board of Studies (BoS) requires members from various IIT's; NIT's and reputed Universities of various departments.
